Brendan Benson **@brendanbensongs** · 51m
I went whale watching off the coast of cape cod when I was around 16. This is kind of exactly what it was like (sans the soundtrack). Incredible! I thought they would toss us!

Sea Creatures **@SeaAnimals** · 19h

Brendan Benson **@brendanbensongs** · 38m
I was actually terrified on the way out to sea. Ocean makes me nervous. Add to that colossal swimming beasts that could topple us with one nicker of their tail fins! But as soon as the first whale was spotted, and I laid eyes on it, all my fear evaporated!

Threat of being re-arrested. (I would normally state that "they are NOT going to like my reply to Wendy Robinson"; however, I seriously do not believe that these things are capable of experiencing fear other than the basic fight-flight-freeze response.

More evidence that Brendan Benson is operating a terrorist organization

The screenshot shows a Twitter profile for Brendan Benson (@brendanbensongs). The left sidebar contains navigation options: Messages, Bookmarks, Lists, Profile, More, Tweet, Explore, Notifications, Messages, Bookmarks, Lists, Profile, More, Tweet. The main feed shows three tweets from Benson:

- Tweet 1: "Pretty sure Santa delivered my presents unwrapped. It was all **shock** and awe around our house." (2 replies, 6 likes)
- Tweet 2: "Lincoln **bio** disease by random whiff/spray" (10 replies, 10 likes)
- Tweet 3: "Link in bible" (5 likes)

Below these is a promoted tweet from "Far & Wide @FarandWidecom" with the text "Mind blown..." (78 replies, 323 retweets, 779 likes). A red box highlights the text "Benson has a link at Twitter" under the promoted tweet.

At the bottom, a retweet from "FAT GANDALF @sofarrsogud" is visible: "Stop microwaving tea, you animals." (35 replies, 101 retweets, 347 likes).

Annotations include red circles around the words "shock", "bio", and "bible" in the tweets, and red boxes around the "Promoted" label and the text "Benson has a link at Twitter".

A text box on the right contains the following text:

Training Opportunity

Can you guess why Benson posted these three Tweets in under 20 minutes?

The first two happened at approximately 21:50; about an hour and a half after I exposed The Black Key on pfi.ROCKS, Twitter and elsewhere.

If not, feel free to e-mail me at Asc.Jak@pfi.rock and I will provide to you the answer by

Who to follow

The "Who to follow" section lists several accounts:

- Xbox Canada (@XboxCanada) - Promoted
- Lilly Singh (@Lilly)
- Stephen Colbert (@StephenAtHome)

Below this is a "Show more" link and a "Niagara Falls" section with 1,056 tweets. A "COVID-19 - LIVE" section features a "CDC director, FDA give final approval of Pfizer and BioNTech's COVID-19 vaccine in the US" with a Pfizer logo. Another "Who to follow" section at the bottom lists the same three accounts as above.
