Importance: High

Ms. Hess,

I believe that you actually participated in much of the scandalous divorce and child protection files when Mr. Smith was not in attendance over the past five years. Accordingly, you have knowledge, or ought to have knowledge of the crimes/torts committed against me and/or my children since 2013.

My question to you is: are you representing Jonathan Kiska in small claims and civil actions against him? Or, will you only be representing him in Family and CYFSA matters?

A prompt reply is appreciated as the first small claims form is to be issued today. Also, when I serve documents in person, do you intend to phone Ottawa Police Services to accuse me of trespassing as Wade Smith did in 2019 (evidence viewable on his work-in-progress evidence page here: http://pfi.rocks/smith/)? Or, will I be able to safely serve documents on you?

Mr. Summers,

Multiple documents are to be served on Jonathan Kiska tomorrow. His lawyer, Wade Smith, claims to have retired, as per below; however, Bell Baker receptionist stated yesterday that Smith was on the phone and usually works until 4:00 p.m. Today's receptionist stated that they "think" that he retired. He still has a profile on the Bell Baker website and I never received a Form 4: Change in Representation regarding family file FC-15-2446.

1. I am very well-versed in service evasion tactics: has Mr. Smith created a new one?
2. Is anyone at Bell Baker LLP representing Jonathan Kiska? Or, did Wade Smith start a new practice so that it would be trickier for me to win when I bring my $10M+ action against your firm?

I look forward to your prompt reply.
