Good morning,

Would someone please tell me who, in your office, viewed 19 pages of my teensy, whistle-blowing site, www.pfi.ROCKS, on Friday October 14th at 11:23 a.m. Newfoundland time? They could be involved with organized crime including, but not limited to, gang-stalking as described here: https://www.youtube.com/watch?v=Q73oOUE2gik .

As your Office was snooping around **less than TEN MINUTES** following my correspondence with the St. John's Crown Attorney's Office (see attached), I can only assume that there is some sort of "connection" between your two, taxpayer-funded entities.

I look forward to your prompt reply.

P.S. For more information on gang-stalking and how it is linked to international trafficking, feel free to invest 48 minutes here: https://twitter.com/CaeJak/status/1582078248917557248?s=20&t=mfIezB3APlxYJKyw-vKLmQ.

Evidence is now being linked when possible at www.pfi.ROCKS/organized-crime/vis/
