Reminder:
On Friday July 26, 2019 (after being removed from her children's lives for over SIX months) MOORE was arrested for:

- CC 127(1) Disobey lawful order of court
- CC 430(4) Mischief to property
- CC 349(1) Unlawfully in dwelling

→ She has thus far been detained for 19 days, missed two family court appearances for this arrest.
→ Moore sought leave from Justice Audet* (and cc'd Justice Engelking) to bring a Motion to change the unlawful order in June; but, received no reply.
→ In 2019 YTD, MOORE has been detained by Crown Prosecutors (six of them) for 66 days while not guilty and missing five family court appearances!
→ CAS is now seeking sole custody and access of MOORE's children for KISKA ≠ KISKA is seeking 100% of the matrimonial home. Interestingly, about one week following my arrest, Justice Engelking reduced Justice Audet's support order to me from $1,575/mo. to $1,230/month AND she cancelled the divorce trial scheduled for September 2019.

* Justice Audet removed my right to bring motions in Family Court in 2018.
