Trial Management Conference

This was scheduled for a case managemat/ trial managemat meeting w/the parties, however, the R. Ms Moore was recently incarcerated and is not in attendance. Additionally, the Children's Aid Society of Ottawa, which has been involved in this case for sometime, brought a SRA for a custody order to the A, Mr. Kiska, pursuant to s. 102 of the CYFSA. On July 29, 2019, Justice Audet made an endorsement staying the custody & access aspects of this case pending the completion of the CYFSA proceedings. However, some of the financial aspects of the case are tied to the custody aspects

and it would not be efficient to proceed to trial by bifurcating the financial from the custody issues. Therefore, the matter, is hereby removed from the Sept. 2019 trial sittings in Family Court and will proceed in CYFSA court.

Additionally, given the children are currently in Mr. Kuska's exclusive care, and have been for sometime, the child support payable by him to Ms. Moore pursuant to Justice Audet's order issued on Nov. 20, 2018 is hereby suspended, without prejudice to Mr. Kuska to seek an adjustment for any period the children have been in his full time care prior to today.

The matter may be brought back to Family Court once the CYFSA proceedings are concluded if necessary.

Costs for today are reserved to the cause.
