Ms. Hess,

It's a little late for me to send to Sean a birthday cake: how about Edible Fruit? Does his wicked dad consent to me seeking a court order to send to him an Edible Fruit basket?

PS. Did you ever find out from Kiska what he did with the birthday gifts I sent to Sean and Cate in 2019 when he lied to them about me moving to Texas because I didn't want to be their mum anymore (when in reality your crew help him to illegally obtain an unlawful restraining order against me)? I'll post a photo of them this morning them under May 2019 here: <https://pfi.rocks/organized-crime/documentary> in case Kiska wants to tell them the truth (first).

PPS. I'll post my 2020 birthday gifts under 2020 today too. You can tell them their wasn't anything send/made in 2021-2022 because I was too busy defending myself against his OPSB & Crown prosecutor accomplices while you convinced them to have me charged with Criminal Harassment for attempting to see what they looked like on Instagram.

Verily,

Sean & Cate's devoted mum

Ms. Hess,

Are you **incapable** of answering my simple question? Did you get the COV19 injections which impair cognitive ability vs. a neurogenerative disease? What about Ms. Ghadaksaz? Is she also incapable of answering my simple question? Such a shame.

DM / AJ

**PS.** If you haven't already received a call from NL Social Services asking why your fraudster client, [John Kiska](#), stopped paying his fraudulently-obtained, below-poverty-level, anti-*Divorce Act*, interim spousal support of \$1,230, then you should be expecting one. Don't worry, I informed them of your crime syndicate as well as the FRO-enabled scam where registering comical support **along with** 50-50 shared childrens' expenses (post illegal **and** unlawful child abduction) was simply **another** form of government-assisted fraud; converting the support recipient into a revenue stream for the sociopathic ex. Sadly, they said they weren't permitted to record the call; however, I am hoping that their phones are tapped so someone else will.

**PPS.** I wrote a song this week! <https://youtu.be/5bgWD4niJuk>. Do you like it? I attached a copy of the words and the sheet music for you in case you'd like to practice singing.

**PPPS.** **OCTEVAW**? I am trying to raise funds for a documentary that evidences Ottawa-based #TDVCA as people are finding it difficult to fully understand its complexity: here's a 3-minute concept check <https://youtu.be/WDwCtcHBN7A>. Any interest in purchasing some "*with love from* pfi.ROCKS" buttons viewable in the RHS column here <https://pfi.rocks/organized-crime/vis/tina-moores>? I am selling them for a \$100 each (as I have no interest in going through the hassle of registering a not-for-profit to employ more crooked govies) **and** with every order of 10 buttons you'll receive a free pfi.ROCKS Travel Mug! (see photo insert) I'm hoping I can squeeze everything into 90 minutes; however, I have SO MUCH evidence that it may have to run a full two hours to effectively capture everything like Dymon Storage's involvement: <https://youtube.com/shorts/nCRd2BHcw64?feature=share/>. Don't worry, I'll be sure to credit your organization for any amount received as your "generous support" and share my documentary with Canada's new federal department: "Women & Gender Equality Canada" which replaced "Status of Women Canada".

Ms. Hess,

Now that MPs and the new OPSB Chair are aware of your branch of the Syndicate (<https://twitter.com/CaeJak/status/1653037149661347842?s=20>), I'd really like to publish how my request plays out. **Does your sociopathic client intend to provide consent? Or, is he going to oppose my motion to send to Sean a birthday cake?**

(I promise not to write on it "Happy 17<sup>th</sup> Sean! Your dad is a covert, malignant narcissist! Details at [www.pfi.rocks](http://www.pfi.rocks) ... Love, your devoted mum ♡ )

Evidence is now being linked daily at [www.pfi.ROCKS/organized-crime/swimlanes/](http://www.pfi.ROCKS/organized-crime/swimlanes/)

PS. Ms. Norman and Ms. Payne: I'm not sure if I'll have time to help the Syndicate perfect its automated "legalized crime via Charter violations" system until later this Fall.

Ms. Hess,

Do you intend to respond to my request? I'd like to update your ongoing participation on my GSI-mal main page here: <https://pfi.rocks/gang-stalking> as word is now starting to spread more throughout Ontario and across Canada as demonstrated most recently here:

<https://twitter.com/CaeJak/status/1651609659629772801?s=20>.

Plus, I'd like to use whatever nonsense comes next in my next police complaint.

Care to answer the question (now still highlighted in yellow)?

**Subject:** Birthday Cake

Good morning Ms. Hess,

As my son spends his 5<sup>th</sup> birthday in a row without me (two before that—in 2013 & 2014—when Kiska lied to have me forcibly hospitalized for six weeks and ten weeks, respectively, for a mental illness I never had), I'd like him to know that I'm still fighting for him and Cate, our pets and all of our possessions that were stolen by your syndicate). Accordingly, I'll be bringing a Motion to obtain the required court order.

Do you consent to my sending to Sean Kiska a Happy 17<sup>th</sup> birthday cake? Or, will his wicked father oppose this motion?

Verily,

Deirdre Moore
