It's been **nearly 10 days** since I requested information regarding my 2022 "Pre-sentencing Package" which I require for **multiple** purposes including, but not limited to, preparation for several Third-party Records Motions. Are you **still** committing multiple torts and crimes including, but not limited to, intentionally causing me emotional suffering and mental harm?

Whatever could be the cause for your [collective] delay??

Good afternoon, **Ottawa Criminal Court!**

As per below, and to confirm the accuracy of the information about to be received from my former "defence attorney" **Alyssa Jervis**, would you kindly **confirm when my 2022 "pre-sentencing package" was received** from her/them by Justice Jonathan Brunet for his consideration?

Mr. Coyne? When did the Crown **receive** its copy?

Attempting to ascertain exactly how many of you are responsible for the **illegally-obtained, unlawful 20220524 Probation Order** is an exercise upon itself. To refresh your memories, the cover letter **looked like this** and the testimony and evidence to which it referred should have looked like my 31-page Factum WITH the 33 tabs (**still stored here**).

Mr. Downey? Before I attempt to have you, at a minimum, removed from office, would you mind hiring me as a Crown prosecutor? I promise not to bury exculpatory evidence or let career criminals walk.

Thanks so much!

DM / AJ

PS. **Criminal Court?** Would you also please respond to my e-mail of nearly four weeks ago regarding the publication ban on file # **20-8684**? (see attachment #3)

PPS. **BLG?** Whatever could have happened to the police report related to publication-banned file # **20-8684** initiated by busted-in-Bowling-Green-Ohio-for-Human-Trafficking-come-bail-house-manager **Lorie Fuentes**? It didn't show up in your undated, unsigned, laughable "**Affidavit of Documents**" served for your **vexatious, vexatious Application**. Did **Doody's** dog eat it? Or, did you assign OPSB's **Sebastien Paradis** to the task?

PPPS. To Justice Boxall's hand-picked *Amicus Curiae* **Meaghan McMahon?** You recall commissioning Ms. Sullivan's **first Affidavit in 2021**, do you not? Gosh, I remain so confused as to what the role of an *Amicus* is. After you lied with Savage for the reason why the initial S. 127 charge needed to be dropped, I suppose its simply to ensure the accused remains as duped as possible. Welcome to #Mummygate [insert noun of choice].

Good morning Alyssa!

I'm about to turn my attention to **my \$10,000,000 Civil action against the Ministry of the Attorney General***. Would you kindly provide to me the evidence of your submission of my "pre-sentencing package". (Remember? Sullivan's Cover Letter (see attachments #1) and my Factum and supporting evidence (see attachment #2), as per your advice as you & the Crown were avoiding a supervised order to reduce risk of another party recognizing your machinations? You know, the "other materials" you suggested we use for my never-plead-guilty/never-found-guilty 20220524 extorted, [unlawful Probation Order](#)? The one where you didn't argue for any absolute discharge or "reduced sentence" and simply agreed with [Crown's Mike Boyce](#) for an **additional** 3-year sentence for my 100% gaslit teens?

Thanks,

Deirdre Moore
