Good evening,

My beautiful daughter Cate will be turning 16 on November 30th. It will be the **FIFTH** birthday-in-a-row* that she's been denied my love and protection from your sociopath client, John Kiska. I would like to have a Zoom meeting with her so she realizes that I never abandoned her nor Sean; nor, did I ever stop fighting for them as is already evidenced at:

- https://pfi.rocks/mummygate and
- https://pfi.rocks/organized-crime/entity/cas/chronology-of-events

and I haven't even ***begun*** to publish all of your God-foresaken firm's, self-incriminating evidence yet.

Would one of you kindly arrange this call for me? (Don't bother asking Marty: he was the only one smart enough to cash in once I gave y'all a head's up; unlike Gonen Snir, or Joe Addelman, who remain too stupid and/or greedy to know when to walk away.)

Thanks so much.

*in total, Sean's had seven birthday's celebrations without me; does that thought bring you pleasure, Cheryl?

Cate & Sean's Devoted Mum,

Good afternoon,

You've had my Notice for over 48 hours. I have since:

1. added a few more testimony/evidence-laden scenes to #Mummygate detailed here: https://pfi.rocks/mummygate and
2. started identifying how MAG-related criminal entities are complicit in serving as accomplices to other Ministries' similarly-occupied entities here: https://pfi.rocks/canada.

I ***still*** haven't heard back from Ottawa's Crown Attorney's Office regarding my 20220524 "pre-sentencing package"; information that I require in order to:

3. properly seek a Review of my illegally-obtained, unlawful, child-abusing 20220524 Probation Order (viewable here: https://pfi.rocks/wp-content/uploads/2023/02/Ex-_X-20220524-ON-Probation-Order-extorted-by-Crowns-Mike-Boyce_malicious-prosecution_SAQOTU.pdf),
4. defend myself against OPSB's vexatious, vexatious Application detailed here: https://pfi.rocks/the-darkumentary and
5. proceed with other legal matters including, but not limited to:
    - a divorce commenced in 2015 against Kiska being documented here: https://pfi.rocks/organized-crime/vis/john-kiska,

- a pending civil action against his lawyer, as is well deserved and partially evidenced here: https://pfi.rocks/organized-crime/vis/cheryl-hess,
- a civil action against one of his ***other*** groups of accomplices as detailed here: https://pfi.rocks/third-party-records and, of course,
- my attempt to bankrupt taxpayer-funded, for-profit, run-by-sociopaths-entity Children's Aid Society of Ottawa as warranted by evidence being published here: https://pfi.rocks/organized-crime/entity/cas/chronology-of-events.

Do you require anything else before we head into the weekend? I'm still being forced to live in poverty at a homeless shelter without my perfect children and I'd prefer to get this all settled sooner rather than later.

PS. I am about to publish my ***entire*** file from The Ottawa Hospital and reveal how much of a racket the psychiatry-side of Ontario's Ministry of Health is, as well. I'll link it into the screenplay somewhere; meanwhile, you might enjoy my latest karaoke cover: "50 Ways to [***] You Over". (Hoping to expose same on the Quebec side: details soon to be published here: https://pfi.rocks/organized-crime/vis/celeste-perrault-levesque)

PPS. As you now have knowledge, or ought to have knowledge, of the crimes/torts in which:

- the Royal Ottawa Mental Health Centre—both team Selaman/Watts and Beck herself,
- the Suroit Hospital (and other Ontario/Quebec-based hospitals),
- Ottawa Police Services Board,
- the Children's Aid Society of Ottawa,
- Bell Baker LLP , Nelligan O'Brien Payne, Gardiner Roberts, BLG LLP (and other career-criminal lawyers cc'd)

are involved, feel free to consider suing them to re-cover some of your legal expenses. That way, I can just begin my journey of healing with Sean and Cate; and, kiss the entire legal-judicial nightmare goodbye.

PPPS. Guess what I did while walking down Bay Street yesterday, where all of those big banks are located? (Gosh, those bank employees were pleased to learn of the *Bank Act*'s S. 21(1) Sunset Provision evidencing the end of banking as we know it in Canada by 20250630.)
PPPPS. I still haven't heard back from Ottawa on when my 20220524 "Pre-sentencing package" was received and given to Justice Jonathan Brunet? Feel free to give Coyne et al. a nudge on that for me.

Thanks.

Are the details and links included at https://pfi.rocks/mummygate sufficient for your "investigation"? I'll ask one of the YWCA shelter advocates to print it off, scribble in the other urls with links to more evidence & call the process server for "in-person" delivery tomorrow. Then, I'll update the police. Then, I'll contact OIPRD and ask why it's taking so long for NRPS to call me back for my Victim Impact

Statement … which reminds me. My action isn't merely due to your Crown Attorney's Office-positioned career criminals: it's due Walter Kim (positioned at OPGT), several positioned at OCL & the racket that is OIPRD as well. The evidence against them is still stored at twb.rocks with username MooresTeam & password #SlashTheirBudget!
(Try the Archives section around August 27, 2020 for a glimpse into Kim's modus operandi. Try my work-in-progress 2019 mail campaign (https://pfi.rocks/canada/mail-campaign) for some of the dirt against OIPRD &, well, I'm sure the manner in which your OCL is involved in the crimes of Torture & Trafficking in persons won't be too difficult to ascertain. If you're having trouble connecting the dots, ask Susan Galarneau, Brian Fisher (https://pfi.rocks/organized-crime/vis/brian-fisher) or former CAS employee, Justice Tracy Engelking.

Looking forward to your reply.

Deirdre Moore / Andeé Jak

PS. Karly wants to know if I've made any progress finding housing. Care to make me a reasonable offer to settle so my shelter bed can go to someone else your government-enabled crime ring has stomped through the floor boards of society?

> Thank you for your reply; however, I have a few questions.

1. According to the Ontario Crown Liability and Proceedings Act:
    1. S. 15 states that: "A document to be served personally on the Crown in a proceeding to which it is a party shall be served by leaving a copy of the document with an employee of the Crown at the Crown Law Office (Civil Law) of the Ministry of the Attorney General."
    2. S. 18(1) states that "No proceeding that includes a claim for damages may be brought against the Crown unless, at least 60 days *before* the commencement of the proceeding, the claimant serves on the Crown, in accordance with section 15, notice of the claim containing sufficient particulars to identify the occasion out of which the claim arose."
    3. S. 18 (2) states that "The Attorney General *may* require such additional particulars as in "his or her opinion" are necessary to enable the claim to be investigated."
    4. S. 18 (4) states that "Despite subsection (1), no proceeding that includes a claim for damages may be brought against the Crown under clause 8 (1) (b) unless the notice required by subsection (1) is served on the Crown in accordance with section 15 no later than 10 days after the occurrence of the event out of which the claim arises."
2.
3. I first began "giving notice" to MAG over two years ago during convid when personal service was waived: see evidence and acknowledgement (& games played by MAG admin) at attachments #1 and #2. As far as I am aware, MAG requires ***at least*** 60-days notice … there is no cap. Ergo, over 700 days of your being aware of MAG's tort and crimes should be sufficient.
4. Regarding the scandalous "not later than 10 days after the occurrence of the event….", your crew keeps re-setting that clock (that coyly circumvents the Statute of Limitations https://www.canlii.org/en/on/laws/stat/so-2002-c-24-sch-b/latest/so-2002-c-24-sch-b.html as your taxpayer-funded, career criminals run rampant. See attachment #3 (or view it online). As "the event" is 1,539-days-and-counting in duration, the "after" date has yet to be triggered.
5. No where in your self-serving legislation is "sufficient particulars" defined. At this point, pleading ignorance long ago crossed into obstruction of justice, fraud, trafficking, torture and terrorist activities: evidence of that still takes up too much storage in my whistle-blowing sites.

As evidence-laden emails don't seem to work for the conscience-free govvies that have infiltrated MAG, how about an evidence-laden screenplay? Feel free to skip to just review the draft Trailer and then skip down to the Final Scene: those "particulars" couldn't be more "sufficient". Shall I personally serve on your Crown Law Office – Civil (McMurtry-Scott Building , 8th Floor , 720 Bay Street Toronto, ON M7A 2S9) a 1-page "Notice" with a link to https://pfi.rocks/mummygate today? Or, would you prefer me to wait until the "1,539-days-and-counting" event concludes?

Dear Ms. Moore,

We acknowledge receipt of your email of October 19, 2023 (seen below for convenience).

Please note the provisions of the ***Crown Liability and Proceedings Act, 2019 ("CLPA").***

Section 18(1) of the ***CLPA*** requires that you serve notice on the Crown at least 60 days **before** a Claim is issued. The courts have held that failure to give 60 days' notice renders the Claim a nullity. We are therefore not able to waive or abridge the notice requirement.

Please note that pursuant to s. 15 of the ***CLPA***, a party must personally serve a document on the Crown by leaving a copy at Crown Law Office (Civil Law). Documents can be served on the Crown or the Attorney General by email or in person.

1. email: **cloc.reception@ontario.ca**
2. in person: **Crown Law Office – Civil**
   McMurtry-Scott Building
   8th Floor
   720 Bay Street
   Toronto, ON M7A 2S9

As your email does not provide sufficient details to meet the requirements of s. 18 (2) of the ***CLPA***, we are requesting that you please elaborate on your cause of action. Based on your claim, you may have a problem with s. 18(4) of the ***CLPA***.

If you intend to pursue this matter, under s. 14 of the ***CLPA,*** the defendant shall be described as His Majesty the King in right of Ontario.

In the meantime, please contact me should you have any questions.

Thank you.

CAUTION -- EXTERNAL E-MAIL - Do not click links or open attachments unless you recognize the sender.

Good morning, Mr. Savage.

I've updated your VIS page. Before I add your self-incriminating, Third-party records Application Reply (which will also incriminate OCJ-positioned "lawyer-with-immunity" Jonathan Brunet), I'll upload more evidence to the Mail Campaign file* (as there are many, ***many*** more than you that I'm hoping to expose). Also, I hope you're all prepared for my civil action against the Ministry! It's due 20240523; unless, of course, your crew's performance re-starts the Statute of Limitations clock during my upcoming Application.

Deirdre Moore

*OCDC and CECC are sure to have a record of this activity, no?

PS. Ms. Laeeque, kindly confirm that you'll accept this e-mail as "60-day's notice" of my upcomin $40M Civil Action against Ontario's Ministry of the Attorney General. While actions and omissions of Ottawa's Crown Attorney's Office-positioned employees will be featured in my Statement of Claim, so will several who were/are positioned at your Office of the Children's Lawyer and Public Guardian and Trustee.

PPS. Ms. Doody: I hope you and the rest of your BLG crew enjoy the mail campaign as well. (Gosh, if I didn't know better, I'd think there is some major "player" trying to take
