The crimes-in-progress include those being perpetrated:

- against a resident of Niagara Falls, NRPS' juridication;
- by judges, OPP's jurisdiction; and,
- by individuals committing the federal crimes of torture, trafficking and terrorism, RCMP's jurisdiction.

Your gaslighting does not change those facts.

The incident that you reported has been concluded by me as the matter is in the jurisdiction of Ottawa and should be reported there. Furthermore, court decisions you are unsatisfied with and/ or police investigations should be addressed in their respective channels.

I wish you the best Deirdre,

Good afternoon Deirdre,

I will not be engaging in matters regarding civil court or other services/ organizations. My understanding from reviewing the emails I received from you is that you've spoken with Professional Standards and been directed to OIPRD. I am sorry that you're unhappy with my conclusion but my closing comments remain the same.

Take care,

D/Cst Brown

Hello? Hello??
Confirm points a) to c) below?
I've converted the previous attachments to links for your convenience:

Also,

-

- **Constable Brown**, as per attached draft $3.5M civil action against your organization, I've got about 75 words left for your section: do you have a preference for which e-mail I highlight? Please let me know by tomorrow noon; else, I'll presume you're indifferent;
- **Ms. Doody**, here's another civil action: would you like to amend your 20230131 vexatious vexatious Application? I'd like to amend my Statement of Claim. I'll consent to yours if you'll consent to mine; and,
- would one of you please flip a copy of my civil action to Chief Byan MacCulloch and Casey Tennant in case I guessed their e-mail addresses wrong?

Thanks,

DM / AJ
