20250214 OW Employment Expenses, Hardship, etc. since 202411.pdf;

Dear OW people,

As you've managed to successfully delay my ODSP transfer for yet another month, kindly provide the employment expenses that recently have been provided by non-Ottawa-based Ontario Works "agents" (who aren't quite as invested in the orchestrated impoverishment of me) as per attached four-page collection of notices/statements.

Also, due to the extensive hardship that I continue to endure, kindly end the so-called "overpayment deductions" which simply force **additional** hardship as I continue to try to divorce John Kiska whose domestic violence and psychological/financial abuse knows no bounds. Ideally, these overpayment deductions would be returned to me **retroactively** (ie. since they commenced): I can pay it all back once my husband pays to me the **hundreds of thousands of dollars** in retroactive spousal support and occupational rent that he owes me (see Canada's federal *Divorce Act* for details).

To confirm that my fraudster husband has been living in my home with my two gaslit children paying zero in legislated occupational rent or legislated spousal support, simply contact his accomplice Cheryl Hess at Bell Baker LLP (cc'd above).

Verily,

Deirdre Moore
