On Dec 16, 2023 I was awoken by the door bell at my home located at 1244 Lampman St., Ottawa, Ontario. My ex. wife, Deirdre Moore (DOB - 1965, 09, 28) was at the door in breach of a restraining order preventing her from attending the house. When the door bell was ringing I looked out my BR window and saw a taxi in the driveway. I went to front door and Deirdre was asking me to pay \$40.00 for the cab. I paid the \$40.00 and the cab left. I went to check on my kids to see how they were feeling and prepare them to leave the house if she tried to enter. I then went back to the door and had a brief conversation with her. She wanted to

come inside but I refused. She was talking about various law suits that she has initiated and I listened. She indicated that the police were coming and that I would be arrested. At one point she indicated that she would kick the window in and enter the house if I did not let her in. It was at this point I called 911 and the police arrived. I believe she arrived at approx 6:30AM and the police arrived approx 7:15AM.

In addition, Deirdre continues to post information on the web site FBI ROCKS that include personal information and images of our children
