Hi Crystal.

I apologize for not getting back to you sooner. The legal proceedings of my divorce have been unbelievably time-consuming. I hope to be in a position to provide you with my Letter of Interest following my upcoming hearing on August 29, 2017.

Thank you for your patience.  
Deirdre Moore

Hello,

I am very interested in learning more about your services and the type of fundraising that you do in case my story and my skills could be of use.

Would someone be able to meet with me next week while my kids are off camping?

Thanks so much.
