Did you take them shopping yet? Sean has ONE pair of shorts. I  
can take them this weekend if you leave out cash/check.

DM → Leave out bikes and helmets so we can have active weekend.

Also, I need all of those little spoons back plus the ice packs.

You don't need to pack the laptops. Sean says they're useless.  
(The only present you bought.)

JK → I will take shopping next week. I will look for spoons etc.  
DM → Gear in bench. I will baseball gear out Friday.  
You didn't leave out the bikes so I went in to get them ... just as  
I've gone in before to get stuff which you know about.

JK → Fine that you've changed the code but you might have wanted to  
let me know that before I went in to get the bikes. You need to call  
security at 1-800-363-8145 so they can turn off the alarm.

JK → U have no right to do that. It is against the agreement!  
I expect the bikes to be returned or I will file theft charges.

DM → You mean like skipping Xmas dinner and not doing nightly calls  
anymore? Like that? How come it was ok to grab the switch bag?

JK → File whatever charges you like.  
Charges will be filed this afternoon.

Promise?

Police were sent.

What's wrong with Sean's Trek bike? Does it not work anymore?  
Should I take the one that Juice gave him?

*etc.*

U have no right to take anything from the house without my  
permission.

*etc.*

I hope they escort me to Vanson. Do you know when they'll get  
here?

Soon

*etc.*

You have sole possession of the house, not its contents.

Read the agreement.

Nowhere does it say I can't enter the house.

O it does.

Whatever. I'll be here till 2:00. Then I'll be at Vanson (with the kids'  
bikes so we can have them tonight)

I can only fit in one bike at a time. Let them know I'll be at Vanson  
but should be back at Lampman by 2:05.

They know where to find u.

Is that a threat??

I am here at Vanson until about 3:00.

No. Just letting them know where to find the stolen property.

*} between  
2:00 &  
3:00*

I will leave the helmets in the bench and bikes in the back.  
Cate says thanks.  
Sean's break is messed up so I will leave all three out.

This awesome pic message was sent from a Virgin  
Mobile phone.

Then,  
He  
following  
day,

he  
leaves  
out  
the  
bike  
stuff -

We understand that the alarm went off at Mr. Kiska's home and the company alerted the police.

The children's bicycles are missing. Please confirm that it was you who attended and stole the bicycles. Also, if so, return them forthwith.

It saddens me to hear that the bikes are missing. The kids really liked those bikes.

Ps. The time stamps on this e-mail thread are a bit screwy ... could be my laptop as it keeps changing the date and time on me. Anyhow, right now I have 3:37.

As regards the home, my client wanted to make sure it wasn't you before he contacted the police further.

Mr. Smith,

Thank you so very much for this e-mail.

I am sorry but I cannot confirm that it was me who attended and stole the bicycles.

I never took  
them. I just  
waited for the  
police to arrive.

On another matter, it appears that I am acquiring more content for my Amended Answer on almost a weekly basis. It might serve me well to defer the Conference for a month or two. If so, how much notice would you require to cancel the current date and reschedule?

They said I should

my lawyer  
about this.

Sincerely,  
Deirdre Moore
