Hi Steven.

I know that the file that you were working on with our family has been closed; however, as you were the person assigned during the "Best Buy" incident of 2017 as well as the development of my "Safety Plan", it is you who I listed as someone that I would subpoena to Court as a witness.

Currently, I am in the process of preparing for the upcoming trial where I intend to expose John Kiska for what he has done (and continues to do) to Sean and Cate and me for over six years.

In order to subpoena you to the trial, I must first retain a Will-Say statement from you and make it available to John's lawyer as well as the pre-trial judge. Attached you will find a list of 20 questions that I will be sending to four psychiatrists as endorsed by Justice Engelking on October 17, 2018. I have also attached part 1 of a 2-part list of documents that I refer to as "Overview". Kindly review both parts of the Overview as well as the 20 questions so that you are in a position to provide your Will-Say Statement.

In addition to the following questions, please include your name, position, role and contact information in your Will-Say Statement. The questions that I would like to pose to you are:

1. Have you reviewed documents A-Z that comprise the "Overview" provided by Deirdre Moore?
2. Have you reviewed the list of 20 questions that Deirdre is posing to some of the psychiatrists who have cared for her in the past?
3. Do you feel that it is possible that Deirdre has developed a history of mental illness because she is the victim of a narcissist?
4. Can you offer any explanation for why John Kiska has consistently failed to mention the level of marital conflict that has existed in the marriage when he was speaking with Deirdre's physicians?
5. Can you offer any explanation for why John Kiska has consistently provided false information to Deirdre's treating psychiatrists?
6. Do you believe that John Kiska's behaviour towards Deirdre over the past six years reflects one of a loving, caring husband? Please explain.
7. Under the circumstances, how do you feel Deirdre has coped with the experiences that she has been forced to endure over the past six years?
8. Do you agree with the recommendation of the Office of the Children's Lawyer that sole custody should be awarded to Deirdre? Please explain.
9. Do you believe that John Kiska should be entitled to shared access to the children Sean and Cate given his lack of support for their overall care? Please explain.

10. Do you have any suggestions on how Deirdre can protect Sean and Cate from the impact of an emotionally abusive father?

Steven, if there are other questions that you feel are important for me to ask while we are in Court, please do let me know and I will revise these questions accordingly.

Are you in a position to provide your Will-Say Statement to me by November 30th? Please do let me know at your earliest convenience.

Thank you for your help. (Overview - Part 2 of 2 will follow)

Deirdre Moore

ps. please let me know if you would like me to deliver to you a hard copy of the Overview and I will gladly provide one.
