When I arrive in Ottawa to be heard by Judge (insert Group member X) during Assignment Court regarding CAS Ottawa's scandalous Assignment Court Brief (linked to item #3 here: <http://pfi.rocks/macdougall/>) and its terrorizing Application, will you have my six months of overdue, fraudulently-obtained (through Audet and Engelking), below-poverty-level, court-ordered financial support cheques (6 x \$1,230 = \$7,380) available for pick-up? If so, do you intend to give them to me? Or, do you intend to phone Ottawa Police Services and accuse me of trespassing as you did July 24th, 2019 when I was merely attempting to acquire a legislation-required Trial Scheduling Endorsement Form (evidenced in audio files under heading 2019 in work-in-progress Affidavit available here: <http://pfi.rocks/smith/>)?

Are you going to arrange to have the cash e-transferred to me or should I pick up the cheques from your office? Please advise and understand that mail is not an option as your previous "attempts" to mail the cheques to me failed.

PS. Inspector D'Aoust, I do not really expect any assistance from you as you are clearly involved with Group, complete with your own "street sign" at Dymon Storage (whose business plan is blatantly obvious).

Mr. Smith, you still have not answered my very simple question: why has your client not e-transferred to me the overdue, fraudulently-obtained, below-poverty-level, court-ordered spousal support of \$7,380 (6 x \$1,230 = \$7,380)? Has he been arrested? Is he broke? Is he a wickedly-abusive malignant narcissist/sociopath?

Mr. Hale, you still have not answered my very simple question: do you believe that our criminal laws are adequate with respect to "disobeying a court order", fraud and/or accomplice after the fact? If so, why? If not, how do you feel they

could be improved? (I realize that you are not *obliged* to answer my questions; however, as a someone whom is actually *teaching* law courses at Carleton University you must be interested in this academic exercise.)

Mr. Kim, can you arrange to have my former spouse either arrested or apprehended under the Mental Health Act of Ontario? If so, when? If not, why not? Kindly respond or explain to me why you refuse to respond.

To the rest of you: you are only included in this e-mail so that you cannot claim ignorance of the multiple crimes being committed against me.

As Pamela MacEachern is looking for more evidence, (viewable here: http://pfi.rocks/wp-content/uploads/2020/08/000092KJ_20200807_Illegal-Endorsement_Judge-Pamela_MacEachern_FC-15-2446_FC-19-CP-08_Motions_SAQOTU.pdf), please explain why Jonathan William Patrick Kiska (d.o.b. 29-Sep-60) has not e-transferred to me the overdue, fraudulently-obtained, below-poverty-level, court-ordered spousal support of \$7,380. (6 x \$1,230 = \$7,380)

I expect and deserve an immediate response.

John Hale: Do you believe that our criminal laws are adequate with respect to "disobeying a court order", fraud and/or accomplice after the fact? If so, why? If not, how do you feel they could be improved?

Mr. Smith: At paragraph D, line 4 of the attached copy of our 20170131 correspondence*—when I used the word "interim"—I meant "provisional", "short-term" until he could replace the 4 x \$7,500.

Other Bell Baker lawyers: Are you aware that your firm is harboring a criminals?

PS. Why are you refusing to e-transfer to me the five months of overdue, fraudulently-acquired, below-poverty-level, court-ordered spousal support ($5 \times \$1,230 = \$6,150$)? I had to pay rent yesterday. How do you expect me to pay for food and accommodation without financial support? Are you hoping that I end up in a shelter? Nourished by food donations?
