Ms. Hess,

As the concepts of "Beyond A Reasonable Doubt" and "Proceeds from Crime"* start to sink in at the bench level, would you mind forwarding to me a current copy of the Table of Contents for both FC-15-002446 & FC-19-000008? Given the files that ARE in my possession, I am confident that my materials will be sufficient for the "next steps" required to begin resolving the "family matters" (see attached and below).

Verily,

*given the evidence, a strong argument can be made that ALL assets (including pensionable earnings and partnership interests) of your network were accumulated ONLY via criminal activity. I will certainly be making that argument in my Victim Impact Statements; and, I will be encouraging others to do the same.

In addition to the Ottawa-based Fraud, Theft, Torture, Trafficking in persons and Terrorist activities of which you are now aware, there also seems to be some "Welfare Fraud" being committed by a group that has infiltrated Ontario Works and TD Bank*. Bonjour!

Mr. Douglas: Would you mind providing access to my two Continuing Records? FC-15-002446 is flat out denying access (see attachment #1) while FC-19-000008 has been "shredded" (see attachment #2). Given my deadline of 20250226 to submit Appeal documents, I had not yet copied:

- FC-15-002446 files [0346-0390](https://twb.rocks/domestic-terrorism/perpetrators/individuals/john-kiska/fc-15-2446/mag-fc-15-2446-divorce-files) (see judge/lawyer/CAS condemning files [0001-0345](https://twb.rocks/domestic-terrorism/perpetrators/individuals/john-kiska/fc-15-2446/mag-fc-15-2446-divorce-files) at <https://twb.rocks/domestic-terrorism/perpetrators/individuals/john-kiska/fc-15-2446/mag-fc-15-2446-divorce-files>) or
- FC-19-000008 files ?0001-0190?

Also, to whom do you report? (Your taxpayer-funded service is atrocious and I must report it.)

Ms. Doody, Caselines: Would one of you figure out how I can obtain the documents that were served and filed for the 20250117 civil matter (that was held in my absence) CV-23-91267? I need them to perfect my Appeal documents that were served, filed and published (see documents stored at <https://twb.rocks/domestic-terrorism/perpetrators/entities/ottawa-police-service/2025-appeal-ops>) yesterday.

I do realize that those three sets of documents contain enough evidence to convict many of the perpetrators listed at <https://twb.rocks/domestic-terrorism/perpetrators/individuals>; however, it's a little late for you to worry about that now.

Ms. DeHaan, Mr. Gemmill: Would you mind telling me when my refund cheque will be available for pick up? As my computer was (effectively) stolen during my 6-week kidnapping (partially published at <https://twb.rocks/upig/psych/population-control>), I need to purchase a new one.

Court of Appeal: Would you kindly acknowledge filing of yesterday's Appeal documents? Also, please schedule a case management conference to establish a timeline for this matter given the demonstrable, relentless recalcitrance of the Respondent's counsel.

I look forward to your **prompt** replies; meanwhile, I will finish publishing the Civil Appeal before I turn my attention back to the career criminals operating the Criminal court division of Ottawa's Trafficking in Persons enterprise.

PS. Would one of you let "Papa Smurf" et al. at the Family Law Information Centre ("FLIC") know that tossing my "*with love from twb.ROCKS!*" button into the garbage will not, in my opinion, prevent their assets (including pensionable earnings) from being considered "proceeds from crime". He and his colleagues chose to remain complicit in the Family Court's collective violation of the Doctrine of Paramountcy, gaslighting untold numbers into believing that Canada's **federal** Divorce Act "did not apply" (as they weaponized Ontario's **provincial** Courts of Justice Act Family Law Rules and Rules of Civil Procedure for pleasure and profit). He and Sylvie may want to review s. 279.01(1)(b) of Canada's Criminal Code (see [https://www.criminalnotebook.ca/index.php/Trafficking_in_Persons_\(Offence\)](https://www.criminalnotebook.ca/index.php/Trafficking_in_Persons_(Offence))) and turn themselves in before their situation (ie. number of counts, each with a 4-year mandatory-minimum sentence upon conviction) gets any worse.

Mr. Douglas! Are you not familiar with your own industry's formal requirements of the Continuing
Record under the Family Law Rules ("FLR")? They are published for all to see at
[https://ontariocourtforms.on.ca/static/media/uploads/courtforms/family/continuing_record/frcr-
flr/Formal_Requirements_EN_Nov1406_ODA.pdf](https://ontariocourtforms.on.ca/static/media/uploads/courtforms/family/continuing_record/frcr-flr/Formal_Requirements_EN_Nov1406_ODA.pdf)!

You also seem to be suggesting that (while the MAG counter staff ignores the *CJA*'s Family Law rules)
there is **zero** process regarding accountability or oversight? Is this not an invitation for organized crime
to run amok with reckless abandon at significant expense to taxpayers? Seriously, what would prevent
100% infiltration by those interested in theft, fraud and extortion if Ottawa's court services have no
accountability or oversight?

Regarding your second point: it is, in fact, **a requirement** to serve an updated Table of Contents ("TOC")
with **each** Family Court document pursuant to FLR Rule 9 (12) which states that:

"A party serving documents shall,

- (a) if the continuing record has not been separated,
 - (i) serve and file any documents that are not already in the continuing record, and
 - (ii) **serve with the documents an updated cumulative table of contents listing the documents being filed;** and

- (b) if the continuing record has been separated,
 - (i) serve and file any documents that are not already in the party's separate record, and
 - (ii) serve with the documents an updated cumulative table of contents listing the documents being filed in the party's separate record. O. Reg. 89/04, s. 4.

Again, MAG staff is guilty of violating CCC's s. 126 Disobey a Statute, at a minimum.

Regarding evidence that proves the FC-19-CP-000008 has been tampered with, I literally sent it to you.
Here is my copy (again) that references the 20190408-related materials: [https://twb.rocks/wp-
content/uploads/2023/10/20190808_FC-19-CP08-0_01_Original-CR_Table-of-Contents.pdf](https://twb.rocks/wp-content/uploads/2023/10/20190808_FC-19-CP08-0_01_Original-CR_Table-of-Contents.pdf). The TOC
that you provided **excluded** these key entries.

With all due respect, you seem like some sort of mis-programmed Artificial Intelligence application that
has zero capacity to process real-time information with which it has not been pre-programmed.

Kindly escalate this matter to your supervisor immediately.

Deirdre Moore

PS. Does the Correspondence Section for FC-15-2446 contain this 20190806 letter written to SCJ Justice Tracy Engelking by my husband's lawyer (after my husband falsely accused me of Criminal Harassment) in order to get the long-awaited divorce trial (where he would lose everything due to his years of cruelty) cancelled? (See letter at https://twb.rocks/wp-content/uploads/2023/10/01_q-20190806-BellBaker-letter-faxed-to-Engelking.pdf.)

PPS. Ms. DeHaan, Mr. Gemmill: when am I receiving my refund for the thousands of dollars that I spent on your improper (and useless) certification process where so-called "certified documents" contained no stamp and were merely bundled together with an elastic band and a scribbly "Certified" marked on each bundle? I've been waiting for months.

Hello Deirdre,

For your first question, it is simply not a common practice for us to give out the names of the employees that accept documents for filing at the counter. I am unable to comment on any of the individuals working at the counter close to 6 years ago, and I am unable to name the specific individual who accepted those documents.

For your second question, I have explained that not all physical Table of Contents are fully up to date. Regardless of this, all the filing information is stored in an online database, no matter what the Table of Contents may state. I could find no record of data being deleted from the Table of Contents.

If you have any further questions, please let me know, and I will answer them to the best of my ability.

Thank you, and have a great day,

Hello Deirdre,

I have searched through the physical file for any other Table of Contents not already sent. There exists no other table of contents on file. The court no longer updates any physical Table of Contents for court records, as the information on what documents are filed have been moved to a continually updated online database.

As for the April 8 2019 documents not listed in the table of contents, I believe that those documents were sent to you. Please find the sent documents with the specified date attached for reference.

If you believe any other documents are missing, please let me know.

Mr. Douglas,

In comparing **your** FC-19-CP-000008 Table of Contents (see your two files attached) with the one **I** stored in 2023 (viewable at https://twb.rocks/wp-content/uploads/2023/10/20190808_FC-19-CP08-0_01_Original-CR_Table-of-Contents.pdf), it would appear that **someone** has deleted the evidence of the illegally-filed 20190408 documents that were used for the illegally-heard CYFSA proceeding that ended with my children being illegally (and thus far, permanently) ripped from my life.

Who do you suppose might have edited this legal document to remove the damning evidence? Obviously, Adobe Acrobat can be used to alter **any** document (just ask Walter Kim of Doug Downey's Ontario Public Guardian and Trustee on the ease with which he is willing to alter case law in order to destroy of his Syndicate's targets (partially evidenced in our twb.ROCKS Archives! at <https://twb.rocks/archives/y2020/m202008/2020-08-27>)).

Mr. Douglas, please ensure the Tables of Contents provided are accurate: tallying the number of counts of each crime committed by the multiple perpetrators involved in #Mummygate (see tally outlines linked to each perpetrator's exposure page at <https://twb.rocks/domestic-terrorism/perpetrators/individuals>) is difficult enough without this sort of "Obstructing Justice" tactic being employed.

PS. **Ms. Cetoute & Brasil**: when and for what amount will my OW Employment-related Benefit be deposited to my bank account? (I need to re-purchase Adobe Acrobat in order to keep up with Ottawa's 161 Elgin Street-positioned terrorist network.) When is the 20241126-approved ODSP commencing so I can remain in one location for more than eight hours? Also, please ask Jean Doyle how to proceed on the Internal Review of the additional hardship imposed by OW via its "over-payment deduction" policy? Someone at OCDC destroyed my laptop and I need to have it repaired. Finally, would one of you arrange to have my Tumi luggage and clothing/marketing materials returned by the Trafficking/Human Experimentation network situated at 771 Bannatyne Avenue in Winnipeg? Just ask for Angela Godee: details can be found at <https://twb.rocks/upig/psych/population-control>.

Yes, Mr. Douglas, the Table of Contents were always a bit of a disaster. You see, none of my husband's accomplices actually followed **any** of the legislated *Courts of Justice Act* Rules of Civil Procedure or Family Law Rules, which is evidenced by:

- the date of [Victor Vallance Blais'] **response** to my husband's malicious Bell Baker LLP-drafted **20160224** Case Conference Brief: **20160224**. Yes, the exact same date as my husband's Brief. (See attachment #1 and #2, respectively). And, when was the Case Conference scheduled to be heard? **20160224**. Yes, the exact same date. This, despite the CJA's Family Law Rules which specify at Rule 17(13.1) the timing of service for Conference Briefs:
 - "The party requesting the conference (or, if the conference is not requested by a party, the applicant or party making the motion) shall serve and file the documents required to be filed for the conference under subrule (13) not later than six days before the date scheduled for the conference and the other party shall do so not later than four days before that date. O. Reg. 202/01, s. 5 (5); O. Reg. 69/15, s. 6 (2); O. Reg. 298/18, s. 12 (2); O. Reg. 535/18, s. 5 (3)." (see <https://www.canlii.org/en/on/laws/regu/o-reg-114-99/latest/o-reg-114-99.html#sec17subsec13>)* and
- the date of the documents used to illegally** grant sole custody and access of my children to my wickedly abusive husband: **20190408**. Yes, my husband's Affidavit was sworn on **20190408** and it was filed on **20190408** (see Attachment #3). In fact, all of my husband's accomplices' documents were not filed until **20190408**. When was the hearing? **20190408**. This, despite the rules regarding service and filing of Affidavits and other court documents. I asked for an adjournment as I had not received any materials nor had the opportunity to respond. Crooked SCJ judge Calum MacLeod:
 - denied my request (see my request in the 20190408 transcript (Attachment #4) at the bottom of page 14 and MacLeod's denial in his endorsement (see Attachment #5))
 - issued the final/not-final order (ie. a pre-drafted Order provided by CAS's Brian Fisher who "ticked" the "Final" box while MacLeod stated that it would be reviewed in four months on 20190806 (see Attachment #5).

The Family Court "counter" staff at 161 Elgin Street has long been infiltrated by a gang-stalking network of minions (see information related to gang-stalking at <https://twb.rocks/gang-stalking>) who would strictly enforce compliance with the CJA rules for me; but, completely ignore them when my husband's accomplices filed anything. There is literally **nothing** legal about either file. (Consider the fact that the CAS labelled "me + my wicked husband" as "the Respondent" in FC-19-CP-000008 when "Respondent" is defined as ... a person; and, a person is defined as either:

- one [individual] or
- one corporation;

not, two individuals in a toxic divorce and/or custody battle.

So, we have a decade of evidence of, not only widespread criminality on the bench at the Superior Court of Justice, but the criminality of **multiple** law firms and the CAS. It's one ... massive ... racket that meets Canada's *Criminal Code* ("CCC") definitions of Trafficking in person and Terrorist activities (and, arguably, Torture).

Equating the Family Branch of Ontario's Superior Court of Justice to the "Wild, Wild West" is a **massive** understatement. My estimate of the cost to taxpayers of my husband's court-enabled domestic violence and child abuse ("TDVCA", as illustrated at https://x.com/CaeJak/with_replies) is \$3,000,000 (so far, as partially outlined at outdated*** tally pre-published at <https://twb.rocks/careers>).

Regardless, I will endeavour to move my legal quagmire (partially linked to <https://twb.rocks/legal-quagmire>) forward despite Ontario's demonstrable state of utter lawlessness. Accordingly, kindly forward to me an **accurate** Table of Contents for both FC-15-002446 and FC-19-CP000008. Also, please consider reporting the above-described terrorist network to legitimate law enforcement (domestic and/or international--given the requirements of CCC's s. 21(1)--anonymously, if required).

Thank you.

PS. Mayor Sutcliffe? Would you have a contact at the Ottawa Citizen who might be interested in reporting legal-judicial corruption in the capital of Canada? Or, have all of the real journalists already been incarcerated or declared severely mentally ill to protect your (and former Mayor Watson's) slithering viper pit?

**Custody and access for children from a marriage falls under the jurisdiction of the federal Divorce Act; not Ontario's provincial Child, Youth and Family Services Act ("CYFSA", not that the career criminals operating the Children's Aid Society of Ottawa follow the rules in the CYFSA either (as partially evidenced at <https://twb.rocks/organized-crime/entity/cas>).

Hello Deirdre,

I am relieved to hear that you were able to locate the links.

As for the Table of Contents, the ones that I sent were part of the documents that were previously scanned. I have attached all sent Table of Contents for quick reference. I noticed that not all Table of Contents are complete. If you wish, I can look through the physical file and see if I can find any completed Table of Contents.

I apologize for the inconsistent naming scheme. The names that the files currently have are the names they were saved under when previously scanned by other individuals:

- FC-15-2446 includes:
 - Continuing Record Volume 1-11
 - 1-8a other PDF documents*
 - 5 email PDFs
 - Endorsements from April 27 2017 to August 25 2021
 - Order-November 20, 2018 and Orders (Compilation)
- FC-19-CP000008-0000 includes:
 - CP Continuing Record – Part 1 and 2 (Yellow Book, contains Endorsements and Orders)
 - CP Continuing Record Tab 1-15 (Red Book Volume 1)
 - Answer and Plan of Care – Sept 11 2019
 - 2 Confirmation of Conference form 17F – Oct 9 2019 (one is Applicant, the other is Respondent)
 - 4 Confirmation of Motion form 14C (13 Nov 2019 (Respondent), 14 Nov 2019 (Applicant), 2 forms dated Dec 16 2019 (one is Applicant and the other is Respondent))
- FC-19-CP000008-0001 includes:
 - PDFs labeled FC-19-CP8 x (where x is numbers 1 through 26)
 - 1-15b other PDF documents*
 - 4 Confirmation of Motion form 14C (Oct 19 2020 (Applicant), Nov 5 2020 (Children's Lawyer), Nov 5 2020 (D. Moore), Nov 4 2020 (Wade Smith))
 - Trial Record dated Dec 10 2020 and the Affidavit of Service for the trial record
 - 4 Endorsements, dated August 7 2020, August 28 2020, November 10 2020, and June 26 2023
 - Restraining Order dated December 11 2020, and Final Order dated December 11 2020

*If you would like a list of the additional documents under each file number, please let me know.

Please note I am still here if you have any further question or requests for your file. I would suggest saving a few copies of your files to your computer for backup, as you (obviously) do not want to lose anything.

Mr. Douglas,

Your "secure e-mails" WERE filed as junk! At first glance, it appears as if the files are there for retrieval; however, the lack of consistent nomenclature makes it impossible to ascertain whether or not the 11-years-and-counting ("EYAC") file is complete. I will endeavor to plow through the thousands of pages of evidence over the next few weeks.

Meanwhile, would you please identify which file contained the Table of Contents ("TOC")? I'll need to update it prior to:

- a) the service of my Urgent Notice of Motion (to amend Kiska's fraudulently-obtained, Courts of Justice Act-leveraging, 2018 unlawful and fraudulent financial support order (partially evidenced at <https://twb.rocks/organized-crime/vis/julie-audet>),
- b) my attempt to secure a LEGAL Family Court Order that retroactively acknowledges the protections from domestic violence that have been codified in Canada's federal Divorce Act,
- c) a re-registration with Ontario's Financial Responsibility Office of a newly-endorsed LEGAL (and Divorce Act-compliant) financial support order and
- d) my withdrawal from Ontario's taxpayer-funded social assistance programs.

If you could provide the TOC by end-of-day, I'd really appreciate it. I intend to include that piece of reality in lawyer Michelle Doody's Form 51 (Request to Admit) that is partially pre-published at <https://twb.rocks/domestic-terrorism/perpetrators/entities/ottawa-police-service/2025-appeal-ops/form-51-request-to-admit-michelle-doody>.

Verily,

Deirdre Moore / Andee Sea Cae Jak
SAQOTU Inc. #DrainingTheSwamp

PS. Ms. Doyle, kindly request an internal review for the retroactive reimbursement of the so-called “over-payment deductions” (ie. additional financial hardship) that Ontario Works has knowingly forced upon me since 2021/22.

PPS. Ms. Cetoute, kindly advise me on the amount and timing of my Employment-related Benefit for February 2025.

PPS. Ms. Brasil, kindly confirm the date that my Ontario Works file will be transferred to ODSP: your error-laden, illegal form was signed and witnessed this morning (as evidenced at <https://twb.rocks/domestic-terrorism/perpetrators/individuals/jean-doyle>).

PPS. Mayor Sutcliffe? Would you put in a good word for me? I’ d like to join (on a short-term, consultant basis) the City of Ottawa Audit Department. (I should only need about six weeks.)

Hello Deirdre,

This is to inform you that I have re-sent the links to you at 11:13 am (FC-15-2446) and 11:24 am (FC-19-CP000008, both -0 and -1). Please ensure that you have checked all folders in your mailbox, as the link may have been automatically directed to a different folder (such as any junk/spam folder). If the links are nowhere in your outlook email, then there seems to be a problem with sending the files to you over the secure mailbox.

Please note that I have absolutely no reason at all to withhold the copies from you, and I have done everything in my power to send the copies to you using the secure mailbox.

If it is all right with you, I can send the copies to you over multiple emails, without using the secure mailbox. Please note that our individual email has a maximum attachment size limit of 25 MB. Therefore, it would be approximately 100 emails in total for me to send complete copies of both files. Please let me know if this is how you would like to receive your files, and I will start sending the emails right away.

Unfortunately, we cannot accept USB keys, as there is no way for us to confirm 100% if the USB stick does not contain potentially harmful software that could damage our computers.

Thank you,

Mr. Douglas,

I have been informing your office for months. Shall I drop by with a USB key so you can simply copy the massively incriminating files to my working technology instead?

As you can see at <https://twb.rocks/domestic-terrorism/perpetrators/entities/montfort-renaissance/cv-24-00096488> (and elsewhere), my whistle-blowing site is all ready to expose the criminality of 161 Elgin Street's "Family Court". That this evidence will **also** expose the Royal Ottawa Mental Health Centre, Ottawa's Crown Attorney's Office, the Ottawa Police Services Board and several law firms is not my fault. (You can blame Bell Baker LLP for choosing to start a custody battle with a devoted, educated, experience mum for that.)

I look forward to receiving the file links or, in the alternative, a meaningful response by 2PM today.

Verily,

Hello Deirdre,

I am ready to send you a complete copy of file FC-19-CP-000008. As this is also a large file, I will send it to you using the same secure mailbox method that I used to send you the 2015 file. The file will be sent to you shortly after this email.

Please confirm receipt of either file as soon as you gain access to them. If you run into any difficulties while trying to access either the 2015 file or the 2019 file, please let me know. I am happy to help.

Of course, if you have any further requests, feel free to email me. I will assist you to the best of my ability.

Thank you for your reply. The 2015 file has over 12 volumes due to the decade of crime; however, the family counter claimed that the scanning had already been done last summer. Hopefully, all that is required is:

- a re-uploading of the materials (including all correspondence, endorsements and orders) and
- the forwarding of the access links to me.

Please be aware that the CAS split FC-19-CP-000008 into, at least, two separate files in its attempt to bury the file's original (illegally-obtained, unlawful) court orders.

Can't wait to prove how all of Bell Baker LLP's Kiska-related revenues were proceeds from crime!

Hello Deirdre,

As per my previous email sent to you at 10:17 am today, I am looking into your request for a complete PDF copy of files FC-15-2446 and FC-19-CP-000008.

I am aiming to send the requested copies to you before the end of next week. Of course, if I run into any delays, I will update you on my progress.

Please note that as these are large files, I will need to send them through a secure mailbox. This means you will need to create a username and password when I send the link containing the documents. You will receive this link, as well as all communication from me, through your email address ascjak@outlook.com. If you have a different email address you would prefer to communicate through, please let me know.

I will explain the process further when I am ready to send the documents, but if you have any questions now, I am happy to answer them to the best of my ability.

Mr. Douglas,

I realize that FC-15-2446 & FC-19-CP-000008 contain enough evidence to convict over 100 court-enabled individuals; however, I need the files as my paper copies were all, effectively, stolen during the [20240914-20241031](#) kidnapping of me.

Robert Pelletier was well aware of this as well.

When will access to my Continuing Records be provided?

Dear Ottawa/Ontario-employed ladies,

As implied in this morning's post (see <https://x.com/caejak/status/1887457943345414583?s=46&t=-BzWUiLwoAo-Ax7CbzxXXA>), the longer it takes for you to provide a meaningful, reasonable response, the more you appear to be in collusion with 161 Elgin Street-positioned criminals including, but not limited to, Crown prosecutor David Rodgers (see <https://twb.rocks/domestic-terrorism/perpetrators/individuals/david-rodgers>). This could expose you to a s. 465(1)(b) allegation (which could result in up to 14 years in prison).

Mr. Pelletier,

What could POSSIBLY be the reason for the delay in forwarding to me the Continuing Records for FC-15-2446 and FC-19-CP-000008?

Ms. deHaan,

What could POSSIBLY be the reason for the delay in my refund for the thousands of dollars spent obtaining improperly commissioned legal documents?

Kindly respond by noon tomorrow.

Thank you

Kindly respond to my questions below by end of day. You may find it useful to review my preliminary exposé on Dr. Victor Uwaifo (and, by happenstance, Johnson & Johnson's toxin INVEGA) by reviewing the material pre-published at <https://twb.rocks/organized-crime/vis/victor-uwaifo> prior to choosing to delay my ODSP-related financial support any further.

Ms. Hess? As per attached, I should be in a position to seek leave to bring a Motion to amend your illegally-obtained, fraudulent 2018 "support" order soon; thus, ending my need to rely upon social services. As, beyond any reasonable doubt, you're merely one of many bar-positioned career criminals listed at <https://twb.rocks/domestic-terrorism/perpetrators/individuals>, I will NOT be providing notice.

Ms. Cetoute, Ms. Finlay,

Thank you for your assistance in having my file placed on a transfer list; however, it's unclear to me why there is "a list" at all and why the file wasn't, finally, simply transferred. As you may be aware, my application process began in 2023 and was approved in November 2024. Given there is "a transfer list" on which my application now sits, kindly inform me of:

- a) when the transfer is estimated to occur,
- b) when actual support payments are estimated to begin,
- c) what the assistance amounts are (for both basic needs and housing) and
- d) the process for requesting assistance with last month's rent so I can exit Ottawa's disastrous, gang-infiltrated shelter system as soon as possible.

PS. For your own personal interest, you may want to familiarize yourselves with a. 21(1) to 23(1) of Canada's Criminal Code. My intention for today is to begin an article which will help you to better understand the perilous situation that Ottawa (and many of its inhabitants) are in. I'll try link it to a revised "Notice" tab of my website later today for reference.

Hello,

Please note that the purpose of our meeting was for verification. Since my colleague was able to assist you, our meeting for today is no longer necessary. I can confirm that you have been placed on the transfer list as well.

I hope you feel better.

Regards,

Yolaine

Ms. Cetoute,

Uncertain as to whether any of my previously-provided information made it into my file, please review my 20250127 letter to Jean Doyle (that explains exactly why the 2018 support order had to be removed from the FRO): <https://twb.rocks/wp-content/uploads/2025/01/20250127-Letter-to-Ontario-Works-Jean-Doyle-re-TDVCA-Appointment.pdf>

Other evidence provided to previously-assigned case manager Rachelle Lapensee on 20241212 is available at www.tbw.rocks/domestic-terrorism/perpetrators/individuals/jean-doyle

I'm in bed with the flu at the moment; so, please acknowledge attached materials as FACT (so I don't have to repeat myself ... over & over ... again).
