Being re-assessed & re-applying won't be able to occur by end of the month: how long do I have to complete this task (given the current lack of availability of physicians accepting new patients)? Equally disturbing is WHO allegedly re-applied last Fall using someone else's medical files?!?

Who allegedly submitted a second application on my behalf using medical records of someone else?? When was this second application submitted?*

Also, please forward a copy of the initial alleged rejection by ODSP as I was only ever told by Ontario Works that my Application had been **approved**.

*It is fascinating to me that this crime was only discovered the day after Ottawa's terrorist syndicate issued a Canada-wide Warrant for my arrest as evidenced at <https://twb.rocks/domestic-terrorism/perpetrators/entities/ontario-court-of-justice/canada-wide-warrant>.

Hello. I don't have a phone. MY ODSP Application began in 2023; so, it wasn't recent. To which documents are your referring?

Also, why is my financial support so low?? How high can I go to rent a place in Ontario?
