2022 Notice of Assessment.pdf; 1244 Lampman Deed, MPAC, Home Equity LOC.pdf;

Good afternoon,

As will be evidenced in a new tale of corporate crime, government corruption and taxpayer fraud posted at Fox, Brenna – THE WhistleBlower, I was illegally detained from 20250320-20250430. Kindly provide to me an update of current upcoming court appearances and request adjournments as well as a new JPT that I can attend virtually so we can re-schedule things ... unless the Crown has come to its senses as I've already served **more** than enough time for this nonsense.

I've included a couple of pieces of evidence against your client, John Kiska, too:

1. 1244 Lampman Crescent that I am not permitted to attend? I own it! (see deed, MPAC statement and Home Equity Line published at <https://twb.rocks/wp-content/uploads/2025/05/1244-Lampman-Deed-MPAC-Home-Equity-LOC.pdf>)
2. Custody and access of children from a marriage is the jurisdiction of the **FEDERAL Divorce Act** (see Fact Sheet - Divorce and Family Violence) and not some provincial, jurisdiction-circumventing CYFSA.

Fact Sheet - Divorce and Family Violence

Changes to the Divorce Act will take effect on March 1, 2021. Some of these are changes intended to help parents, judges and others make safe and appropriate arrangements when there has been family violence.

3. Financial support is literally **codified** in the *Divorce Act* (vs. my forced poverty: <https://twb.rocks/wp-content/uploads/2025/05/2022-Notice-of-Assessment.pdf> (which is getting a little boring).)

For how many years is your office going to help Kiska avoid our divorce, torture my children and defraud me? Are y'all part of his "other" business initiatives (see <https://twb.rocks/domestic-terrorism/perpetrators/individuals/john-kiska> too?) I again remind you of S. 21(1) Parties to Offence.
