As per Ottawa Crown Attorney's Office receptionist, a note was placed in my file this morning regarding your orchestration of my fugitive status as you continue to protect my fraudster husband (ie. John Kiska, proven pathological liar and your so-called "complainant") from the results of our pending divorce following **over twelve years** of undeniable, severe domestic violence and crime. To make it simpler for your crew to follow the collusion between:

- his Criminal Court-positioned accomplices and
- his Family Court-positioned accomplices,

I will attempt to update a new "Family Court Correspondence" page stored at

<https://twb.rocks/domestic-terrorism/perpetrators/individuals/john-kiska/fc-15-2446/2025-urgent-motion/family-court-correspondence>. (Proof of the weaponization of Kiska's Civil Court-positioned accomplices has already begun via "The Vexatious Litigant Racket" at <https://twb.rocks/domestic-terrorism/perpetrators/entities/superior-court-of-justice/vexatious-litigant-racket>.)

Again, all illegality/unlawfulness of the continuing Canada-wide Warrant aside, **why is the Criminal Counter refusing to schedule any of my OCJ Applications or SCJ Certiorari requests?** My pre-trial Charter Application (given the number of OPS-Crown-OCJ-SCJ violations since 20190727) will likely take three days itself to be heard; however, I need the OCJ Applications to be scheduled and heard first. **On what grounds are you denying me this time?** Or, do you simply have no grounds again. That you denied third-party records **and** witnesses for my scheduled (breach allegation) trials has made **any** "beyond a reasonable doubt" finding of guilt technically impossible. That doesn't stop you from threatening me with a baseless conviction and a "Not-Criminally-Responsible" finding to force chemical restraints, though, does it?

Is it your collective intention to continue to avoid communication right up to the next court appearance so you can commit additional counts of "Wilfully causing event to occur (s. 429)" and "Conspiracy to prosecute (s. 465(1)(b))" with **another** warrant for my arrest (while Kiska continues to live in my \$2,000,000 home with my 100% gaslit teens and marginalize me via his Family Court-positioned accomplices)?

The misogyny of your group is undeniable: the anti-Christian behaviour (given Exodus 20:16), equally so.

I look forward to your immediate response.

Does your crew re-call when it added the charge of Break & Enter in 2019 so it could convert its "try-summarily" bogus allegations into straight indictables? Remember how that B&E was on my own home when I was forced to attend to attempt to warn my children of what their dad/your client was doing to us (by disobeying the 20190408 CYFSA order)? Do you need a copy of that John Ramsay-implicating transcript?

So, Kiska's OCJ illegally-obtained, unlawful restraining order (that prevents me from going to my own home and telling my children the truth) expired 3 days ago. His other illegally-obtained restraining order (via the SCJ, the CYFSA and complete ignorance of evidence, Canada's federal *Divorce Act* or its Charter of Rights and Freedoms) somehow still exists despite its total illegality/unlawfulness.

And you refuse to schedule any Applications or cancel the without-grounds warrant for my re-arrest. Is this simply another s. 429-violating orchestrated event to add to my OPSB/Crown-incriminating RAP sheet while Kiska continues to commit crime with reckless abandon?

Also, for when have my Applications been scheduled??

Crown, do you consent to the adjournment of your unlawful, illegal, 3-day (while-100+ days-already-served-for-attending-my-own-property-with-reasonable-and-lawful-excuse) trial? Or, do I need to bring *another* Application?

Ms. Konarowski,

Given the severity of the crimes your network has committed against me since 2019, I would be an absolute idiot to believe that after approaching either the courthouse or any police station that I would be released:

- Haven't you seen my scandalous rap sheet with over 35 bogus, withdrawn/stayed charges?
- Haven't you heard the fervour with which Crown prosecutors Karimjee, Boyce, Rash, Savage, Daller, etc. etc. have argued to have me denied bail ... only to eventually withdraw the charge?

Your crew could simply dream up any new charge: we know Ottawa Police have zero ethics given all of the evidence published for "The Darkumentary" (see <https://twb.rocks/the-darkumentary>).

Your allies have arranged for a False-Positive Conviction by denying witness and third-party records, remember? Your allies intend to have me declared Not Criminally Responsible for attending my own property, remember?

## The Darkumentary – THE WhistleBlower

Along the way, I brought a \$13.2M civil action against Ottawa Police Services Board ("OPSB") for their role in my demise. Instead of moving forward to discovery or making any reasonable offer to settle, they chose to bring a Courts of Justice Act ("CJA") S. 140 Application to have me declared "vexatious" and remove my access to justice in all courts.

twb.rocks

Kindly:

1. Send to me a copy of the warrant so I can inspect the details myself.
2. Provide the details of how the warrant can be "rescinded" virtually: a Zoom meeting should suffice.
3. Confirm whether any other warrants currently exist and, if any do, provide copies.
4. Arrange for my 20250616 hearing **and** the June trial to be adjourned on consent.

As you are aware, or ought to be aware, the criminal counter has not yet scheduled my applications (see this morning's e-mail on which you were cc'd stored at [https://twb.rocks/wp-content/uploads/2025/05/20250514-0830-Email-to-OCJ-re-Applications-and-Michael-Spratt-Paul-Champ-Lawrence-Greenspon-re-donations-REDACTED\\_Canada\\_Domestic-Terrorism\\_SAQOTU\\_Deirdre-Moore\\_Andee-Jak.pdf](https://twb.rocks/wp-content/uploads/2025/05/20250514-0830-Email-to-OCJ-re-Applications-and-Michael-Spratt-Paul-Champ-Lawrence-Greenspon-re-donations-REDACTED_Canada_Domestic-Terrorism_SAQOTU_Deirdre-Moore_Andee-Jak.pdf)). These need to occur in order to have my *Charter*-protected full defence and fair trial; and, there is no way that I can properly prepare for them to be heard within the next six weeks given the degree of displacement and poverty that your terrorsit network has forced upon me (partial details uploaded to <https://twb.rocks/domestic-terrorism/perpetrators/individuals/jean-doyle>).

PS. Why has it taken you two weeks to respond to me??

PPS. Mr. Champ, see how my case has always been a "Human Rights" issue yet? (Maybe this page will help you to figure it out: <https://twb.rocks/blank-00/living/spirit>). Mr. Spratt and Mr. Greenspon: will you be submitting an anonymous tip to CrimeStoppers about the domestic terrorists that have infiltrated Ontario's legal-judicial system?

PPPS. Would all recipients kindly contribute to one of my fund-raising campaigns published at [https://twb.rocks/twbrocks-fund-raising\\_recipients-list](https://twb.rocks/twbrocks-fund-raising_recipients-list)? Even a small donation makes a huge difference in raising awareness about Ottawa ... internationally.

Deirdre,

To answer your previous question re: rescinding of the bench warrant issued. To rescind a warrant you need to present yourself either at the courthouse in person or at the police station.

I can double check to see if the warrant is endorsed for your release. My notes indicate it is. If that is indeed the case, we may be able to "bring the matter forward" and rescind it in front of the judge at your appearance in June.

Let me get back to you on this issue,

Good morning,

I don't believe that your office ever responded to any of my Applications filed a couple of months ago.

Sadly, I was illegally-detained (again) from 20250320-20250430 (see <https://twb.rocks/domestic-terrorism/perpetrators/individuals/brenna-fox> for partial details with more coming soon). As evidenced at <https://twb.rocks/domestic-terrorism/perpetrators/entities/ontario-court-of-justice/canada-wide-warrant>, a **Canada-wide warrant for my re-arrest** was issued 20250414 and, despite my reasonable and lawful excuse, the Crown Attorney's Office now simply refuses to answer **any** e-mail whatsoever.

As the six-week detention (and your office's non-scheduling of important Applications) prevents me from preparing a full defence **or** having a fair trial, kindly schedule these Applications as soon as possible **with a virtual format**. I have already served more than enough time (pre-conviction) for the two, single-event breach allegations (when two illegally-obtained, illegal, unlawful court orders were violated **with**

reasonable and lawful excuse as I attempted to report major crime to the Ottawa Police Service ... the only possible way left to try: attending my own property to trigger a call to OPS).

**Mr. Spratt, Mr. Champ, Mr. Greenspon?** I am pretty sure I know why each of you refused to represent me; however, would you care to contribute to either of my fund-raising initiatives published at [https://twb.rocks/twbrocks-fund-raising\\_recipients-list](https://twb.rocks/twbrocks-fund-raising_recipients-list). You see, the Crown is attempting to secure a **False-Positive Conviction** for the bogus charges so they can have me declared **Not Criminally Responsible** (see evidence at 20250205 published at <https://twb.rocks/domestic-terrorism/perpetrators/individuals/david-roddgers>). Like all psychiatric facilities, the Royal Ottawa Mental Health Centre is equipped with psychotropics that cause suicidal ideation and the demon-managed carcasses which operate 161 Elgin Street are too cowardly to murder me.

I look forward to your prompt replies.

- 20240216 OCJ denial of the Third-party Records required for my full defence and fair trial and
- without-jurisdiction appointment of Lauren Konarowski as my *Amicus Curiae*.

As previously stated, please do **not** schedule this matter prior to Wednesday, March 5th. Also, a virtually hearing, ideally via Zoom, is preferable to an in-person exercise due to my current (and fourth) overuse injury.

Of course, if the Crown Attorney's Office would simply **acknowledge** the illegality of Ms. Sirivar's 2024 decisions and consent to both orders, then we could avoid using the court's so-called "valuable resources" to correct this obvious injustice.

**Subject:** Third-party Records + Adjournments || Fw: Judge Recusals & Application Dates, etc. || Re: Form 1 Application for 23-11409065 and 24-11401201

Good afternoon,

Please find attached Form 1 Applications to obtain Third-party Records ("TPRs") for *Certiorari* and Charter Applications for **two** of my criminal matters:

- 23-11409065 (also published at [https://twb.rocks/wp-content/uploads/2025/02/20250227-OCJ-Application-for-TPRs-23-11409065\\_Lauren-Hannough-Bergmans.pdf](https://twb.rocks/wp-content/uploads/2025/02/20250227-OCJ-Application-for-TPRs-23-11409065_Lauren-Hannough-Bergmans.pdf)) and
- 24-11401201 (also published at [https://twb.rocks/wp-content/uploads/2025/02/20250227-OCJ-Application-for-TPRs-24-11401201\\_David-Rodgers.pdf](https://twb.rocks/wp-content/uploads/2025/02/20250227-OCJ-Application-for-TPRs-24-11401201_David-Rodgers.pdf))

As my previous requests for TPRs (to be used for my full defences and fair trials) were **both** contested and denied, I will now need to deal with **those** biased and, arguably, unlawful judicial decisions via *Certiorari* Applications in Ontario's Superior Court of Justice. The Charter Applications will address multiple common practices including, but not limited to, the oft-used reliance on the statement "all court orders are deemed to be valid" to enable illegally-obtained, illegal and/or unlawful court orders to restrict those ensnared by Ottawa's legal-judicial system.

As I remain:

- denied financial support from ODSP (despite the 20241126 approval of my application, see partial testimony and evidence published at <https://twb.rocks/domestic-terrorism/perpetrators/individuals/jean-doyle>),
- forced to utilize Ottawa's severely deficient homeless shelters (despite co-owning the ~\$2,000,000 property evidenced at pages 24-28 of section V at <https://twb.rocks/202501-list-of-tabs> which the Crown's client, John Kiska, continues to pretend is his ... as his accomplices at Bell Baker LLP

effectively deny me a divorce for over ten years (see partial testimony and evidence at <https://twb.rocks/organized-crime/vis/cheryl-hess> and <https://twb.rocks/domestic-terrorism/perpetrators/individuals/john-kiska>)) and

- currently suffering from **another** overuse injury (due to the perpetual need to haul everything-not-yet-stolen-from-me along Ottawa's treacherous sidewalks with inadequate luggage)

please schedule **part one** of these hearings (for Ministry of the Attorney General-possessed files only) for Wednesday, March 5th or **later**. **Part two** (for the other TPRs required for my *Certiorari* and Charter Applications) cannot be scheduled without acknowledgement of the 60-days' Notice Requirement. Give the trial dates of June 23-25 and April 14-16, respectively\*, being forced upon me, perhaps next week's judiciary officials will be willing to waive that 60-day requirement with consent of the Crown. Depending on the outcome, and my **legislated** right to full defences and fair trials, I may need to bring additional Applications seeking adjournments.

Obviously, given the demonstrable bias of Maria Sirivar, Annik Wills, Matt Webber and John MacFarlane (who disregard Canada's *Criminal Code* with reckless abandon), these individuals should **not** be selected to hear these matters.

I look forward to your reply.

Verily,

President, SAQOTU Inc. #DrainingTheSwamp

\*Imagine. Two **3-day** trials to convict me for attending my own property just so:

- a couple of crooked judges can become cited for their decisions on what constitutes lawful excuse and/or reasonable excuse,
- a couple of "bought" Crown prosecutors can arrange for a Not Criminally Responsible opinion (ie. the forced drugging and silencing of me) and
- my husband can continue to de-fraud and torture me. What .. A .. Racket

PS. Ms. Hannough-Bergmans, when are you going to answer my questions posed to you on 20250206 (see attachment #1)? Mr. Coyne? Your going to actually ARGUE it? Good grief, do the concepts of fair trial and full defence mean nothing to you, Mr. Rodgers? (rhetorical)

Here's my draft appeal of the illegal 20250127 removal of my rights (thanks to your friends at the OPSB whose lawlessness knows no bounds as evidenced at <https://twb.rocks/upig/police/still-alive> and <https://twb.rocks/the-darkumentary>) to bring the required *Certiorari* Applications and Charter Applications to rein in the runaway scandal that is your malicious prosecution/collusion to prosecute me: <https://twb.rocks/domestic-terrorism/perpetrators/entities/ottawa-police-service/2025-appeal-ops/opsb-notice-of-appeal>.

Criminal Counter? Justice Sonia Annik Wills needs to recuse herself from my criminal matters given her demonstrable bias as she relied upon Rodgers'-suggested "broad sweeping powers" to deny me **any** Third-party Records that I could use in my defence. Their 20250110 performance was just as much an embarrassment (and evidence of their involvement in organized crime) as is Ontario Works (see <https://twb.rocks/domestic-terrorism/perpetrators/individuals/vicki-brasil>); except, Rodgers has also implicated the Royal Ottawa Mental Health Centre in this City's domestic terrorism activities (see <https://twb.rocks/domestic-terrorism/perpetrators/entities/romhc>).

(Seriously, there could be a massive top-down/bottom-up sting playing out at this very moment and these 161 Elgin Street-enabled terrorists wouldn't suspect a thing.)

Kindly alert Wills to the fact that, like Sally Gomery in 2022 (see partial details at <https://twb.rocks/organized-crime/vis/sally-gomery>), she needs to acknowledge her criminality (at least, as it pertains to me).

Lauren Hannough-Bergmans? Do you intend to argue me (again) too? Also, any news on my ability to attend this afternoon's CR#8 16:00 hearing virtually??

Lauren Konarowski? Have you reported the Crown/OCJ/SCJ?OPSB/BLG LLP crimes against me to law enforcement yet? Or, are you shoring up your s. 21(1) for an additional year? Also, any news on my ability to attend this afternoon's CR#8 16:00 hearing virtually??
