To ontario.ocj.criminal.trialcoordinator@ontario.ca <ontario.ocj.criminal.trialcoordinator@ontario.ca>

Given,

1. the sensitivity of some my *additional* exculpatory evidence (which has been ignored and/or redacted by *both* the Crown and OPSB to increase their chances of a False-Positive Conviction) and
2. my status as a whistleblower on multiple individuals positioned as "public servants"

there are *further* severe risks to me, my defence and my fair trial if I attend the 20250616 "Trial Readiness" hearing in person.

Most recently, an unexpected, unlawful, 6-week hospitalization from 20250320-20250430 (evidence being published at <https://twb.rocks/blank-00/living/safety/ecmcc/thomas-quatroche>) prevented me from being "ready" for the **3-day** ["time-already-served", alleged-breach-despite-abundance-of-lawful-and-reasonable excuse] 20250623-25 trial.

In addition, the denial of access to exculpatory evidence by the Crown continues as it enters its sixth year protecting my fraudster, impossible-to-divorce husband (evidence being published at <https://twb.rocks/domestic-terrorism/perpetrators/individuals/john-kiska/fc-15-2446/2025-urgent-motion>) by maliciously prosecuting/criminalizing me.

The continuous actions and inactions of Ottawa's criminal network have been preventing me from preparing my defence **since** my 20231216 arrest. Evidence of this is being linked to <https://twb.rocks/domestic-terrorism/perpetrators/entities/ontario-court-of-justice>; accordingly, I request permission to attend on 20250616 virtually. Please forward this request to whomever is presiding on that date.

Verily,
