Ms. Diez, Mr. Hutcheson,

It would appear that my 20250521 correspondence to ECMCC CEO Thomas Quatroche was misinterpreted as some "Notice of Claim". As discussed at <https://twb.rocks/blank-00/living/safety/ecmcc/thomas-quatroche/hutcheson-affronti-deisinger>, the purpose of my letter was to further evidence the insurance company/Medicaid fraud occurring in his Zone 5-2; not begin some drawn-out, public, court performance.

Kindly request that your 20250801 50-H Hearing be vacated. ECMCC can simply review the evidence that will continue to be published at <https://twb.rocks/blank-00/living/safety/ecmcc/thomas-quatroche>, cease the enabling of this lucrative crime and contact the relevant authorities to have the guilty parties apprehended.

If ECMCC chooses to continue with the de-frauding of me and the failure to recognize the value of my under-cover investigation, I may choose to initiate action at a later time.

I trust this ends your pre-mature involvement in my exposure of ECMCC's problem. I'll inform ECMCC's Martha Mumbach of the error in judgment that has transpired and determine whether or not her group is interested in being part of the solution.
