(last updated **20250601 16:00)**

March? That started with me battling ODSP, CRA ***and*** Ontario's Court of Appeal while attempting to get Applications heard in OCJ's Criminal Court and SCJ's Family Court (see partial details linked to https://twb.rocks/archives/y2025/m202503). This was being attempted without ***any*** personal technology (due to the ongoing de-frauding of me by Kiska and his many court-enabled accomplices) while being ***fully*** displaced and surfing Ottawa's utterly deficient shelter system. Then, what started as a simple "business trip" turned into a 6-weeks-and-counting fiasco.

April was a lot like last Fall! (insert details of 20250320-20250430 illegal detention at ECMCC and introduce **Brenna Fox** (https://twb.rocks/domestic-terrorism/perpetrators/individuals/brenna-fox); so, the "archives" will simply be stored in that file.

May: As I chip away at my Canadian Family, Criminal and Civil chores, I shall also compile my package for ECMCC CEO Thomas Quatroche. I shall assume that he is ***not aware*** that his Zone 5-2 is committing Medicaid Fraud and provide to him an opportunity to make some simple changes that begin with the firing of Dr. Yogesh Bakhai, Dr. Michael T. Guppenberg and Nurse Practitioner Brenna Fox.

The cover letter with 28 exhibits is being stored at (insert link). My 6-week experience at ECMCC inspired:

- a #twbROCKS #Article labelled "**Psychiatric Drug Cocktails: (insert subtitle)?**" (see copy of original at insert link) and
- two #twbROCKS #KaraokeCover tunes: "**Even if I'm Shunned**" (insert link) and "**I'm just a Pharma Whore**" (insert link)
- as well as additional material that will be posted at https://twb.rocks/psychiatry.

Projects for the month:

- Interview Jack Pendergrass re: **Maximus Inc.** (https://twb.rocks/organized-crime/maximus)
- Interview Scott MacKillop re: **Policy Horizons Canada** (https://twb.rocks/policy-horizons)
- Interview Matt McInnis re: **Stats Canada** (insert link)
- Prepare ***Charter* Application** and materials for ***Certiorari***(s) (and third-party records Applications to support same (see insert links)) for upcoming criminal trials to be heard by the lawless group that represents the Ontario Court of Justice.
- Attempt to:
    - complete uploading of FC-15-2446 Continuing Record (partially done and stored at https://twb.rocks/domestic-terrorism/perpetrators/individuals/john-kiska/fc-15-2446/mag-fc-15-2446-divorce-files) assuming the complicit courthouse clerks ever respond to my requests to re-provide access so I can complete the job and
    - prepare my **Notice of Motion and Form 14A Affidavits** for Urgent Motion to Amend an Order (outline is viewable at https://twb.rocks/domestic-terrorism/perpetrators/individuals/john-kiska/fc-15-2446/2025-urgent-motion). Who knows whether this file needs to go to crooked judge Julie Audet (https://twb.rocks/organized-crime/vis/julie-audet) or crooked SCJ judge Pamela MacEachern (https://twb.rocks/organized-crime/vis/pamela-maceachern): *both* of their most recent orders were illegally-obtained ***and*** unlawful.
    - update **#KaraokeCover pdfs** with new twb.ROCKS branding! (https://twb.rocks/mummygate/rolling-credits)
    - launch #twbROCKS **Investigative Journalism Contest** with new dates (previous announcement: https://twb.rocks/upig/contest/announcement and "**twbROCKS Other People's Research**" (for inspiration) is at https://twb.rocks/blank-00/living/opr).

May began in Buffalo, New York!

01-May-25 I began to publish "**The Urgent Motion**" at https://twb.rocks/domestic-terrorism/perpetrators/individuals/john-kiska/fc-15-2446/2025-urgent-motion. I have been trying to bring this Motion for years; but, the courthouse clerks are very protective of Ottawa's gang-stalking operations and my efforts are perpetually obfuscated by nameless clerks who are merely cowardly

keyboard warrior-minions who serve the career criminal lawyers (be they appointed to have immunity or still "practicing their craft" at some law firm).

03-May-25 On my return to Ottawa, I was stopped at the border and learned that there was a **Canada-wide Warrant** out for my arrest; so, I proclaimed (among other things) that independent journalism in Canada was ***dead***; and, I handed out a lot of twb.ROCKS! advocacy buttons to help with the exposure of Canada's capital as a covert hub for multi-level human trafficking that evidenced widespread government corruption, corporate crime and taxpayer fraud. (Note that the buttons now promote twb.ROCKS and the business cards have changed: perpetual terrorization and displacement forces one to become … creative.) As I was released at the border—and knew that the warrant was without grounds as I had both lawful and reasonable excuse for missing the April court appearances (see partial evidence linked to https://twb.rocks/blank-00/living/safety/ecmcc/thomas-quatroche)—I thought I'd better sort that out from a place of safety before returning to the criminal cesspool that is Ottawa. (As of 20250602, Ottawa's Crown Attorney's Office has refused to communicate: see details stored at https://twb.rocks/domestic-terrorism/perpetrators/entities/ontario-court-of-justice/canada-wide-warrant.)

04-May-25 to 0May-25 Respite with new friends … and preparation.

07-May-25 I purchased supplies for an upcoming road trip (for maximum exposure) and a new whistleblowing mail campaign; plus, I continued to work on plans for two upcoming interviews:

- Jack Pendergrass re: Maximus Inc. (https://twb.rocks/maximus-inc) as it is ramping up in Ottawa
- James (Scott) MacKillop for interview #2 re: Policy Horizons Canada (https://twb.rocks/policy-horizons); plus, IoB, etc.

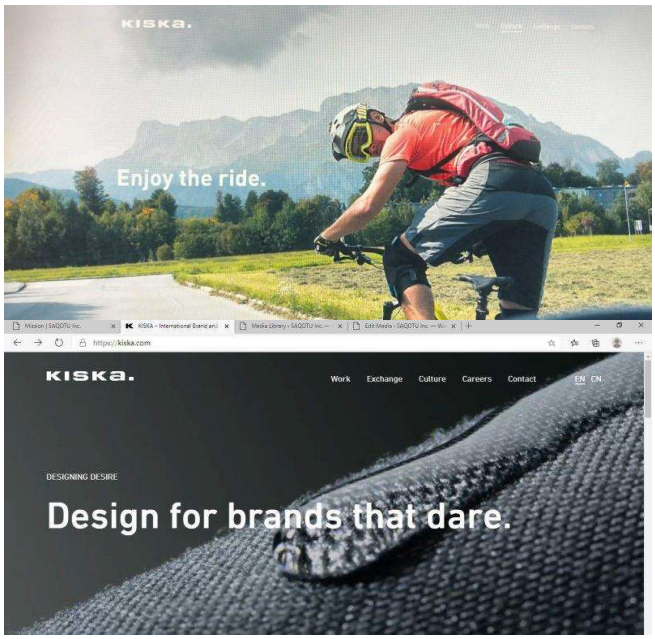
08-May-25 My son Sean turned 19 today: it was his ***sixth*** birthday-in-a-row where my sending to him a simple birthday card has been criminalized. No one has sent to me even a simple picture of him or his baby sister Cate since they were court-napped on 20190201:

- not my mother (https://twb.rocks/organized-crime/vis/kathleen-moore),
- not my sister #1 (https://twb.rocks/organized-crime/vis/moira-moore) and
- not my sister #2 (https://twb.rocks/organized-crime/vis/eileen-moore).

There is something ***very*** wrong with my "family". When my dad, Charlie Moore (see obituary https://ottawacitizen.remembering.ca/obituary/charlie-moore-1082941310) passed on 20210729, not one of them even bothered to tell me. Kiska must have enjoyed *that* immensely: they are either complicit in his criminal activities or they are true "**flying monkeys**" (described at https://www.verywellmind.com/narcissists-and-flying-monkeys-7552473 and a narcissist's key

strategic move). For more on sociopathy, see developing resources on how to identify (and, hopefully, avoid) these things at https://twb.rocks/resources.

09-May-25 I purchased more stamps for my mail campaign and re-posted the Angry Birds Photo Shoot from 2012 (see https://twb.rocks/organized-crime/vis/angry-birds-photo-shoot): these were some of the photos of Sean, Cate and me about three months before my marriage to Kiska began to quickly unravel.



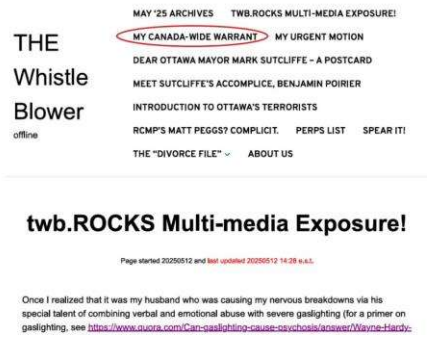
Why did the unravelling begin in February 2012 (insert e-mail thread and add evidence of first-ever nervous breakdown)? It wasn't until he refused to do ***any*** responsible estate planning for Sean & Cate that I realized he couldn't care less about the three of us.

A decade later, I now know: we were just a front so he could pursue his darker goals regarding sick& twisted, gang-stalking ***and*** legal-judicial supported, organized crime that is ***designed*** to drive its targets to suicide.

Given what he has done to us, and some of the tell-take signs that he displayed back in 2016, I suspect by now that he is fully possessed. I have no idea who could help him at this point. Not that he would be seeking help: Kiska is so confident in his police-judge-political protection that he's likely laughing at the fact that I am "advertising" his company for him. The Book of Daniel Chapter 12 Verse 10? That likely means ***zero*** to Kiska or any or his accomplices.

10-May-25 I began to publish **"The Canada-wide Warrant"** at https://twb.rocks/domestic-terrorism/perpetrators/entities/ontario-court-of-justice/canada-wide-warrant and circulate it via my Twitter account @CaeJak at www.x.com.

11-May-25 Another Mother's Day without Sean & Cate as I continue to *try* to rescue them from their sociopath dad and his endlessly-wicked accomplices who are doing everything to prevent them from ever learning the truth about what their dad has done to us. I completed the design of my first "Dear Mayor" postcard (see https://twb.rocks/wp-content/uploads/2025/05/The-WhistleBlower-Postcard-1.pdf), circulated it via my @CaeJak profile on Twitter and addressed my first three to alleged "top lawyers" in Ottawa: Lawrence Greenspon, Michael Spratt and Paul Champ as all three of them refused to represent me (2020-2024).



12-May-25 In anticipation of increased viewership due to upcoming mail campaign and "feet-on-street" initiatives, by 10:00 I had cleaned up the twbROCKS menu by creating a "twbROCKS Multi-media Exposure!" page (https://twb.rocks/multi-media-exposure) which serves as a great introduction to my "living nightmare" and a decent index for *some* of my whistle-blowing testimony/evidence and advocacy/resources content. The pdf version that I'll be mailing out far and wide is being stored at https://twb.rocks/wp-content/uploads/2025/05/20250512-1428-Screenshot-twbROCKS-Multi-media-Exposure_Domestic-Terrorism-in-Canada_SAQOTU_Deirdre-Moore_Andee-Jak.pdf. And, the teaser image is stored at https://twb.rocks/wp-content/uploads/2025/05/20250512-1428-Screenshot-twbROCKS-Multi-media-Exposure_Domestic-Terrorism-in-Canada_SAQOTU_Deirdre-Moore_Andee-Jak.jpg.

13-May-25 What. A. Day.:

- I requested a *second* copy of my $100,000+ bill from the Erie County Medical Center Corporation: the first one went to 1244 Lampman Crescent. (More on *that* initiative later, but, suffice it to say that I got two new **#twbROCKS #KaraokeCover Tunes** out of it: "Even if I'm Shunned" and "I'm just a Pharma Whore").
- I sent my ***EIGHTH*** e-mail to Ottawa's Crown Attorney's Office et al (https://twb.rocks/wp-content/uploads/2025/05/20250513-1231-Email-to-Crown-Amicus-et-al-re-Status-of-Criminal-Matters-.-EIGHTH-REQUEST-Divorce-Appeal-Leave-Donations-REDACTED_Canada_Domestic-Terrorism_SAQOTU_Deirdre-Moore_Andee-Jak.pdf) and updated the "**My Canada-wide Warrant**" page (see https://twb.rocks/domestic-terrorism/perpetrators/entities/ontario-court-of-justice/canada-wide-warrant),
- I mailed over 20 "**twbROCKS Fundraising!" Postcards** and updated the Donor Tracking page (see https://twb.rocks/twbrocks-fund-raising_recipients-list),
- I prepared the page for my upcoming interview with James MacKillop re: **#Biodigital Convergence** and **#PolicyHorizonsCanada** (see https://twb.rocks/policy-horizons-2) and
- I added to the About Us page the **GiveSendGo** (https://www.givesendgo.com/Maximus-Inc) for a (hopefully) upcoming interview with Jack Pendergrass (see Twitter profile @NoogaJack) re: evil empire **Maximus Inc.** (see https://twb.rocks/maximus-inc) which is ramping up in Ottawa and elsewhere.

14-May-25 Goals for the day include:

- compiling my 28 exhibits for ECMCC's CEO Thomas Quatroche,

- handing out at least 20 twb.ROCKS advocacy buttons as I meet new people and explain that I am a whistleblower on domestic terrorism in Canada,
- getting at least 20 more "**WhistleBlower Postcards**" (see https://twb.rocks/wp-content/uploads/2025/05/The-WhistleBlower-Postcard-1.pdf) into the mail and
- updating my donor page (https://twb.rocks/twbrocks-fund-raising_recipients-list) with new recipients.

by **8:30** I managed to send a reminder to the clerks at Ontario's Court of Justice regarding my outstanding requests for **Applications and *Certioraris*** (see https://twb.rocks/wp-content/uploads/2025/05/20250514-0830-Email-to-OCJ-re-Applications-and-Michael-Spratt-Paul-Champ-Lawrence-Greenspon-re-donations-REDACTED_Canada_Domestic-Terrorism_SAQOTU_Deirdre-Moore_Andee-Jak.pdf) which also asked Ottawa's three prominent lawyers:

- Michael Spratt,
- Paul Champ and
- Lawrence Greenspon

if they wanted to contribute to my "Raise-Awareness-of-Corruption/Crime/Fraud/Trafficking/Terrorism at 161 Elgin Street" campaign and/or my "Raise Awareness of Maximus Inc." campaign published at https://twb.rocks/twbrocks-fund-raising_recipients-list.

15-May-25 I finally managed to list all of the civil actions that OPSB arranged to have illegally shut down … while simultaneously claiming that the crime of fraud committed by Kiska was "a civil matter". It's labelled "**The Vexatious Litigant Racket**" (see https://twb.rocks/domestic-terrorism/perpetrators/entities/superior-court-of-justice/vexatious-litigant-racket) because the forced process effectively creates a new set of rules that enable Ottawa's Civil Court-positioned terrorists to circumvent Ontario's *Courts of Justice Act* in much the same way that:

- Release Orders and Probation Orders enable Ottawa's Criminal Court-positioned terrorists to circumvent ***actual*** crimes listed in Canada's *Criminal Code*; and,
- Ottawa's Family Court-positioned terrorists use Ontario's
    - *Courts of Justice Act* ("*CJA*")
    - *Child, Youth and Family Services Act* ("*CYFSA*") and/or
    - *Mental Health Act* ("*MHA*")

to circumvent the protections from domestic violence codified in Canada's federal *Divorce Act*.

It's one .. big .. racket. (**Nice job, Lametti!**)

19-May-24 Completed letter to ECMCC's CEO Thomas Quatroche (with 28 exhibits): see https://twb.rocks/blank-00/living/safety/ecmcc/thomas-quatroche.

22-May-24 Created html page for upcoming interview with #BiodigitalConvergence/Policy Horizons Canada researcher James (Scott) MacKillop: list of "**40 Key Documents**" he provided for "**7 Questions with Andee Jak**" have been uploaded to https://twb.rocks/policy-horizons-2.

My HP laptop beyond repair following its motherboard somehow being destroyed during one of my ***many*** 2024 without-grounds stints at OCDC, I finally was able to pick up a re-furbished one for about $500. (Grateful for the generosity of strangers who lent to me their old laptop for the past few weeks. ♥)

Still ***zero*** response from Ottawa's Crown Attorney's Office or my husband's accomplices at Bell Baker LLP: the targeting of me by Ottawa's taxpayer-funded terrorist network (which operates out of its courthouse at 161 Elgin Street) remains ongoing.

23-May-24 I delivered my 28 exhibit-referencing, 9-page letter to Thomas Quatroche regarding the incompetence, negligence and criminal activity (including Medicaid/insurance-company fraud) occurring at ECMCC's Zone 5-2. My correspondence is being published at (insert link) as I optimistically await his response as "part of the solution" vs. "part of the problem". Meanwhile, tidying up draft thesis being pre-published at https://twb.rocks/psychiatry remains on the to-do-list.

24-May-25 My illegally-obtained, unlawful, illegal, 3-year probation order crafted by Mike Boyce (https://twb.rocks/organized-crime/vis/mike-boyce) to protect John Kiska from his seemingly endless crimes against me **ends today***. It is viewable at https://twb.rocks/organized-crime/vis/tina-moores; meanwhile, a copy of my scandalous "RAP Sheet" is viewable at (insert link from QOACH templates) (with the original repeated *multiple* times in all of the disclosure used to falsely accuse me throughout 2024 at https://twb.rocks/upig/police/still-alive).

*So, this leaves the illegally-obtained, illegal, unlawful *Child, Youth, Family Services Act* ("*CYFSA*") restraining order that Kiska's former accomplice (Bell Baker LLP's Wade Smith (https://twb.rocks/organized-crime/vis/wade-smith) secured via crooked SCJ judge Mary Fraser (after complicit lawyer Cedric Nahum (https://twb.rocks/domestic-terrorism/perpetrators/individuals/cedric-nahum) did such a ***lousy*** job that I had to fire him at the last minute): details of how the Children's Aid Society of Ottawa were ***fully*** leveraged to destroy the relationship between me and my children?

- See scandalous Summary Judgment Motion (that favoured Kiska … which SCJ tried to hold while I was in jail … following another bogus arrest/detention) at https://twb.rocks/organized-crime/entity/cas/20201110-summary-judgment-motion

- See scandalous SCJ Divisional Court appeal decision that implicates another three SCJ judges at https://twb.rocks/organized-crime/vis/three-stooges-1
- Meet CAS/Kiska accomplice Blaney McMurtry LLP at https://twb.rocks/domestic-terrorism/perpetrators/entities/blaney-mcmurtry/20240826-defence-eomo-analysis
- Insert video re: purpose of Obamacare (link) and link to (draft) Ottawa Swimlanes (https://twb.rocks/organized-crime/swimlanes) re: #HumanTrafficking and #TIPCUP (**T**rafficking **I**n **P**ersons **C**over-**U**p **P**olicy) in Canada's capital.

26-May-25 I wrote to Ottawa's Family Court regarding "next steps" for FC-15-2446 (the never-ending divorce file partially linked to https://twb.rocks/domestic-terrorism/perpetrators/individuals/john-kiska/fc-15-2446/2025-urgent-motion) given the ongoing support for domestic violence by SCJ's Julie Audet and Pamela MacEachern: see e-mail at https://twb.rocks/wp-content/uploads/2025/05/20250526-1032-email-to-SCJ-Family-re-FC-15-2446-and-next-steps-given-Pamela-MacEachern-order_SAQOTU_Deirdre-Moore-Andee-Jak.pdf.

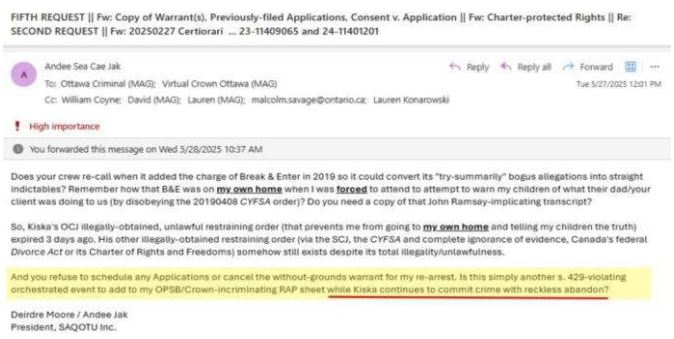
I also sent ***another*** request to some nameless **ODSP** person who claimed some healthcare provider ***re-applied*** for ODSP (without my knowledge) using someone else's health records!! (see e-mail stored at https://twb.rocks/wp-content/uploads/2025/06/20250415-20250526-ODSP-Thread-re-Fraud-by-Ontario-Healthcare-Provider-Timing-of-Alert-given-OCJ-Warrant_SAQOTU_Deirdre-Moore.pdf). I had no idea that my 2023 ODSP Application was denied ***or*** that anyone re-applied in 2024. I was dealing with a handful of Ontario Works-positioned fraudsters from November 2024-March 2025 (see partial evidence against the Ottawa-based group at https://twb.rocks/domestic-terrorism/perpetrators/individuals/jean-doyle); and, I hadn't escaped the Winnipeg, Manitoba-based Human Trafficking/Experimentation operation (partial details linked to https://twb.rocks/upig/psych/population-control) until 20241101. So, it could have been one of many.

Interestingly, I wasn't informed of the allegedly-fraudulent ODSP ***re***-application until 20250415 … ***one day*** after the Crown issued my Canada-wide Warrant (detailed at https://twb.rocks/domestic-terrorism/perpetrators/entities/ontario-court-of-justice/canada-wide-warrant) while I was illegally detained in Buffalo, New York (insert link). Surely, that was a co-incidence and not simply ***another*** request made by the Crown Attorney's Office to ***another*** [?linked terrorist cell?].

Despite the threats of a strike by Canada Post, my mail campaign continues and, in due course, I will update my Donor Page (see https://twb.rocks/twbrocks-fund-raising_recipients-list) which will reveal just how complicit (in covering up the front for domestic terrorism that Ottawa's legal-judicial system) our lawyers (and so-called "officers of the court") truly are.

27-May-25 I began to explore the multiple alleged whistleblower protections that are alleged to exist. (As we have experience with so-called provincial Ombudsmans (insert links), however, we expect this exercise to be more academic than anything else.)

I also sent my FIFTH request to the Ontario Court of Justice and Ottawa's criminal-infested Crown Attorney's Office regarding their collaboration to acknowledge my *Charter*-protected, *Criminal Code*-supported Applicaitons (see email uploaded to https://twb.rocks/wp-content/uploads/2025/06/20250527-1201-FIFTH-request-to-OCJ-Crown-re-unscheduled-Applications_False-Positive-Conviction_SAQOTU_Deirdre-Moore-Andee-Jak.pdf.)



FIFTH REQUEST || Fw: Copy of Warrant(s), Previously-filed Applications, Consent v. Application || Fw: Charter-protected Rights || Re: SECOND REQUEST || Fw: 20250227 Certiorari ... 23-11409065 and 24-11401201

High importance

You forwarded this message on Wed 5/28/2025 10:37 AM

Does your crew re-call when it added the charge of Break & Enter in 2019 so it could convert its "try-summarily" bogus allegations into straight indictables? Remember how that B&E was on **my own home** when I was **forced** to attend to attempt to warn my children of what their dad/your client was doing to us (by disobeying the 20190408 *CYFSA* order)? Do you need a copy of that John Ramsay-implicating transcript?

So, Kiska's OCJ illegally-obtained, unlawful restraining order (that prevents me from going to **my own home** and telling my children the truth) expired 3 days ago. His other illegally-obtained restraining order (via the SCJ, the *CYFSA* and complete ignorance of evidence, Canada's federal *Divorce Act* or its Charter of Rights and Freedoms) somehow still exists despite its total illegality/unlawfulness.

And you refuse to schedule any Applications or cancel the without-grounds warrant for my re-arrest. Is this simply another s. 429-violating orchestrated event to add to my OPSB/Crown-incriminating RAP sheet while Kiska continues to commit crime with reckless abandon?

28-May-25 As e-mail correspondence ***since 20250501*** has generated ***zero*** meaningful response from ***any*** party involved, I attempted to accomplish something in court over the phone:

- I phoned the Ontario Court of Justice; but, the call just went to voicemail.
- I phoned Ottawa's Crown Attorney's Office and asked to speak to manager Bill Coyne: as he was away, a "note" was placed on my file (see follow-up e-mail at https://twb.rocks/wp-content/uploads/2025/06/20250528-1037-Email-to-OCJ-Crown-Amicus-et-al-re-Applications-Collusion-etc_Canada_Domestic-Terrorism_SAQOTU_Deirdre-Moore_Andee-Jak.pdf).
- I phoned Ottawa's Family Court Trial Co-ordinator's Office: as my previous e-mail to the Family Court clerks had yet to be answered, they offered to forward my request to the "team lead" (see follow-up e-mail at https://twb.rocks/wp-content/uploads/2025/06/20250528-0954-email-to-SCJ-Family-URGENT-re-FC-15-2446-and-next-steps-given-Pamela-MacEachern-order_SAQOTU_Deirdre-Moore-Andee-Jak.pdf).
- Regarding access to the voluminous Continuing Records for FC-15-2446 (re: never-ending divorce) and FC-19-CP08 (re: illegal, unlawful court orders that perpetuated severe domestic violence and child abuse via Ontario's CYFSA since 2019) which keeps expiring before I have a chance to copy it all, I e-mailed Family Court clerk Eric Douglas with a cc to the general inbox (see e-mail at https://twb.rocks/wp-content/uploads/2025/06/20250528-1255-e-mail-to-Ottawa-Family-Court-Eric-Douglas-re-Continuing-Records-FC-15-2446-FC-19-CP08_SAQOTU_Deirdre-Moore-Andee-Jak.pdf).

29-May-25 As expected, zero response was received from any of Kiska's taxpayer-funded accomplices. The response from the Office of the Public Sector Integrity Commissioner of Canada, however, arrived:

see https://twb.rocks/wp-content/uploads/2025/06/20250529-1037-email-from-PSIC-Office-of-the-Public-Sector-Integrity-Commissioner-of-Canada_SAQOTU_Deirdre-Moore-Andee-Jak.pdf.

30-May-25 to 31-May-25 I continued to prepare for my:

- "feet-on-street" awareness campaign (insert link) and
- mail campaigns (including postcard #1 at https://twb.rocks/wp-content/uploads/2025/05/The-WhistleBlower-Postcard-1.pdf),

knowing that the Ottawa viper pit we call the capital of Canada would be salivating over the month of June (when they'll be orchestrating another s. 145 "Failure to Appear" violation via perpetual terrorist activities as evidenced since November 2019 (see ***partial*** details linked to a couple of the perpetrators at VIS pages started for former-Crown prosecutor Kevin B. Phillips (see https://twb.rocks/organized-crime/vis/kevin-phillips) and current Crown prosecutor Malcolm Savage (see https://twb.rocks/organized-crime/vis/malcolm-savage).

Top 5 conclusions from this month:

1. To protect Kiska (and prevent my children from ever learning the truth), Ottawa's court-enabled terrorists fully intend to orchestrate a False-Positive Conviction so they can have me declared "Not Criminally Responsible" and chemically restrained by their accomplices at the Royal Ottawa Mental Health Centre. My son Sean has been ***fully brain-washed*** by Kiska. I saw his Linked-In profile and he's being groomed to "follow in his father's footsteps": I wonder if Sean is aware of how much organized crime he's being set up for. (***This*** is why "the system" is so motivated to rip the real parent from children's lives: I wasn't wrong when I created my over-simplified illustration of Ottawa's white-collar, blue-collar, thug-collar crime syndicate in 2021 (see illustration at left and pinned to my Twitter account at https://x.com/CaeJak/with_replies)).
2. With Mark Carney (of Bank of England and Brookfield fame) positioned as Canada's new Prime Minister who's pushing for "**Modular Housing**" and Senator Kim Pate tabling the re-named **Universal Basic Income** bill, while ***zero*** individuals in the House of Commons raise awareness of Policy Horizons Canada (meet this WEF initiative at https://twb.rocks/policy-horizons), we can expect United Nations' so-called Sustainable Development Goals to be in our face 24/7.
3. With Canada signing on to the **World Health Organization** ("WHO") new expanded powers on May 20th and another alleged outbreak of some virus on May 27th, we can expect another series of freedoms (and bodily autonomy) being further restricted in the not too distant future. More on the WHO? See twb.ROCKS Other People's Research at https://twb.rocks/blank-00/living/opr).
4. Based on both online and in-person observations, most Canadians remain fully distracted by local, provincial and/or national political theatre (or, just their tiny M-F, 9-5 world) to realize they're being corralled into the fourth (and fifth) industrial revolution; even though our **World Economic Forum**-endorsing "leaders" have been exceptionally transparent about their

involvement. Sure, totally-owned, "main-stream" media (ie. the Propaganda Industry) is partially responsible; but, it's hard to comprehend how most can still remain so naive.

5. **Demons be demons**. There is certainly enough visual evidence in Ottawa to suggest that Satanic worship is widespread (insert link to images and links to artists' portfolio used to decorate the sidewalks) *and* my experience with a seemingly infinite number of conscience-free teachers/principals, CAS workers, police, lawyers, judges, etc. (see work-in-progress perpetrators list at https://twb.rocks/domestic-terrorism/perpetrators/individuals) suggests that they could actually already be possessed. So, this capital city being completely "lawless" makes some sense especially if you believe (as I do) that we are actually already at **Book of Revelation's 20:9** as far as the timeline goes. That is, "Satan's little season".
