Director of Behavioral Health,

re: Confirmation regarding Request for Hearing

At approximately 10:10 this morning, I submitted for mailing to you and/or the "director" (to which New York State's Mental Hygiene Law ("NYS MHS") section 9.31 refers) my 20250331 Request for Hearing; however, none of the nursing team at Zone 5-2 would provide additional copies for your lawyers at ^{Magavern Magavern} ~~MacGrath MacGrath~~ Grimm LLP. My Request for Hearing included a 69-sheet/94-page collection of evidence labelled "20250331 Court Submission" ("CS1").

Kindly confirm the date and time that these materials were forwarded to court for scheduling.

- encl. • copy of initial
20250331 Request for Hearing
(without CS1);
• 20250331 letter to my
Power of Attorney
(without CS1)
• CS2 prever (12 pages less Plan 1-2/1)

PS. No one on this unit will
reveal your name to me.

Dear ECMCE Director, Legal Department and Jillian Brown

re: Request for Hearing, etc.

Illegally detained at your facility since at least 20250322, I request:

- a) a hearing on the question of need for involuntary care and treatment as permitted by New York State's Mental Hygiene Law ("NYS MHL") section 9.31 on multiple grounds that:
 - i/ are evidenced in the enclosed 20250331 Court Submission (^{edit} "CS1") pages 1.001-16.010 inclusively" and
 - ii/ will be further evidenced in additional court submissions as access and resources permit,
- b) an immediate adjournment of any court proceeding scheduled/ to be scheduled due to the unlawful, libel-filled, unsupported court documents improperly served on me between 20250328 at 10:03 and 20250329 at 08:25 by "Nurse Nicole" and
- c) the immediate return of all of my property

Also, to whom shall I forward my objection to your 20250325 "BH-Treatment Plan" included in ^{EDIT} CS1 at pages 4.001-4.007?
Or, does this "I object" suffice?

Dear Mr. White,

re: A new "last place" for the MH ECHKO Audit

- I trust that you received my 20250326 letter with enclosures:
- a) 20250327 letter to ECMCC's Unit Manager Karen Kimble (1 page),
 - b) 20250325 ECMCC BH-Treatment Plan (7 pages),
 - c) my available 1244 Lampmont Crescent home ownership documents (6 pages),
 - d) a sample of CRA amounts owing (4 pages).

The degree of systemic incompetence, negligence and criminality that I am currently forced to endure at Buffalo, New York's Erie County Medical Center Corporation ("ECMCC") surpasses that of any previously experienced: individuals here hope to have me "drugged-via-court-order" commencing Thursday, April 3rd.

Thus far, nothing that has been done to me has been legal; including, but not limited to, zero notification of their "decision" to you! Acknowledgement of you as my Power of Attorney? Non-existent.

The enclosed Request for Hearing and 20250331 Court Submission ("CS1") are that which I have managed to compile despite ECMCC's intentional, justice-obstructing tactics. The infiltration of this unit — at a minimum — by conscience-free sociopaths — at a minimum — is undeniable. I intend to forward as second court submission with outstanding evidence as soon as possible.

As always, I hope all is well in your world.
