Bonjour!

My request to be heard in CR#14 was based solely on the instructions given by OCJ below: any CR will do. The Crown is refusing consent to a virtual appearance because they are attempting to have me re-arrested via their without-grounds Warrants*. It wouldn't be the first time that they used an unlawful arrest and denial of bail to attempt to deny me of a full defence and a fair trial. My evidence against them dates back to October 2019 when now infamous Moiz Karimjee deceived the court with hope that I would be convicted of B&E ... on my own house! Evidence of their crimes is being published at <https://www.twb.rocks> as well as circulated on social media (<https://x.com/caejak/status/1948103518478323788?s=46>).

This simple Application is merely to obtain UNREDACTED disclosure and easily accommodated via Zoom. That the Crown won't just provide it, and instead chooses to force an in-person hearing to argue against its release, should be a HUGE red flag for any legitimate judiciary official.

As an aside, is Justice Dumel the individual who reduced my 3-day June trial to 1 day ... AFTER the Trial Readiness Hearing occurred? If so, I will be asking that former Crown prosecutor to recuse herself (as well).

*I had lawful excuse for missing both court appearance, as the Crown is well aware (see details archived at "Diary of a Canadian Whistleblower" on my site for May and June 2025).

Subject: **Fw: Application for UNREDACTED disclosure || Fw: 20250605 OCJ Application for 23-11409065, status of previous Applications**

Good afternoon,

Both Ms. Moore's matters are in bench warrant status owing to her missing trial dates in April and June respectively. Those warrants have not been executed to my knowledge. The second is not endorsed for her release.

In any event, the Application Ms. Moore is seeking cannot be dealt with in front of a Justice of the Peace in #14 and would have to be listed to a judge's court.

If Ms. Moore would like to obtain a date before the court, the Crown's position is that her files should go before Justice Dumel. The Crown would not consent to a virtual appearance under these circumstances.

Thank you,

Lauren Hannough-Bergmans

Subject: Fw: Application for UNREDACTED disclosure || Fw: 20250605 OCJ Application for 23-11409065, status of previous Applications

As per below, please confirm that my 20250605 OCJ Application (to receive UNREDACTED disclosure) will finally be heard virtually in Courtroom #14 at 8:30 on Thursday, July 31, 2025; or, as soon as possible thereafter. This Application is being used for both:

*

23-11409065 &

*

24-11401201,

apparently the only two currently active files that the Crown is using as a weapon for the political persecution of me (see <https://twb.rocks/political-persecution>) because the criminal files generated in December 2024 likely contained too much evidence against the Ottawa Police Services Board, The Ottawa Hospital, Winnipeg's Health Sciences Centre and the Royal Canadian Mounted Police.

After this Application is heard (and I have obtained the additional evidence of the Crown burying exculpatory evidence in order to increase its chances of a False-Positive Conviction and the forced chemical restraint of me), I will attempt to schedule the other Applications that have been illegally and systemically denied for over 18 months.

PS. As Maria Sirivar was promoted to SCJ (<https://twb.rocks/organized-crime/vis/maria-sirivar>), I have no idea which new judge has been "seized" to preside over this scandal and, therefore, no idea which judge to "request".

Bonjour,

As is being published at <https://twb.rocks/domestic-terrorism/perpetrators/entities/ontario-court-of-justice> (as time and remaining evidence permits), I have attempted to schedule multiple Applications via the public servants who operate the Criminal Counter on the 2nd floor at 161 Elgin Street; however, as evidence in the week before trial (20250619-20 evidence to be inserted at <https://twb.rocks/archives/y2025/m202506>) only the Crown's Applications ever seem to be scheduled*. Due to that circumvention of due process (and, other strategies used to deny me a full defence and fair trial), I "adjourned" my trial with lawful excuse; that is, due to multiple violations* of Canada's Criminal Code and the Canadian Charter of Rights and Freedoms by both the Crown and the Bench since the 20231216 arrest. Despite there being zero grounds, there are now multiple warrants for my arrest.

As I would like to be cleared of the OPSB's/Crown's false allegations during a fair trial when I will be permitted to present a full defence, it has been suggested that I attempt to get a court date by RE-FILING my most recent OCJ Application (see below) directly with you; that is, the one for UNREDACTED "disclosure" which has been denied by the Crown (as it contains exculpatory evidence which would further evidence their multiple counts of Conspiracy to Prosecute (s. 465(1)(b))).

When can this matter be held virtually?

*speedy-fast scheduling of Crown Applications is reminiscent of the illegally-obtained, unlawful 20191108 gag order successfully orchestrated by the Crown in under 48 hours by Malcolm Savage (<https://twb.rocks/organized-crime/vis/malcolm-savage>) when heard by former-Crown-prosecutor-turned-judge Kevin B. Phillips (<https://twb.rocks/organized-crime/vis/kevin-phillips>).

**including, but not limited to, the reduction in the trial duration by from three days to one ... after the 8-minute "trial readiness hearing" attended by pathological liar Lauren Hannough-Bergmans (<https://twb.rocks/organized-crime/vis/lauren-hannough-bergmans>) with Crown-accomplice David Berg (<https://twb.rocks/domestic-terrorism/perpetrators/individuals/david-berg>) presiding.

Good afternoon,

In addition to yesterday's 20250128 application seeking adjournments (and the two February Applications that have yet to be scheduled), please schedule an Application as per attached regarding receipt of UNREDACTED disclosure. Kindly confirm which of these Applications can be heard virtually next week.

Thank you.
