re: Update & 20250401-02 Court Submission #2 ("CS2")

I trust you have received my:

- a) correspondence of 20250326 re: "Delay in Further #PLG Materials" with enclosures:
 - i/ 20250327 letter to ECMC's Zone 5 alleged Unit Manager Karen Kimble,
 - ii/ 20250325 ECMCC BH-Treatment Plan ("Plan"),
 - iii/ my home ownership documents on hand,
 - iv/ a sample of CRA amounts owed-to-me documents on hand,
 - v/ not the updated twb.ROCKS Investigative Journalism contest announcement because Not-A-Physician ("NAP") Brenna Fox ("Fox") refuses to acknowledge that I am an independent, investigative journalist and returning my ~50 hard-copy announcements that are in my property would contradict her "false belief";
 - b) correspondence of 20250331 re: "A new 'last place' for the **MH ECHKO Audit** contenders list with enclosures:
 - i/ 20250331 letter to "director" re: NYS MHL s.9.31 "Request for Hearing, etc."
 - ii/ 20250331 Court Submission ("**CS1**") ; and,
 - c) my cc to you of my 20250331 correspondence to ECMCC Director of Behavioural Health ("BH") re: "Confirmation re: Request for Hearing" with enclosures:
 - i/ my 20250331 (first) letter to "director" re: "Request for Hearing, etc." without CS1 (~93 pages),
 - ii/ my 20250331 letter to you without CS1 and
 - iii/ a CS2 preview (ie. BH-Treatment Plan EO & MO regarding NAP Fox's paragraphs 10-11 with endnotes 18-22 only (11 pages).
- Yesterday, ECMCC Zone 5-2 displayed as much incompetence, negligence and/or criminality as the previous two days; plus, career-criminal Michael T. Guppenberger ("Goops") showed his face for the first time (see journal note 20250401 at page 4/5) and refused to answer any

of my prepared questions (see CS2 page 22.001).

- Comprehending the magnitude of the crime being committed here would require at least 30-60 minutes; hopefully, my testimony and evidence provided thus far is a decent start.

As my court date(s) approached, the Zone 5 psychiatric team has become increasingly "absent" and/or bombastic. Yesterday, no one would fax my court submissions to Justice Paula Ferroletto's Erie County Supreme Court chambers at (716) 845-5151. I alerted her clerk, David Caywood, of ECMCC's obfuscation of my rights to a fair hearing by leaving multiple messages. This morning at 07:35, I asked that he collect my court submissions in person due to ECMCC's refusals (see CS2 24.001) which included substitute Unit Manager Darcy's 07:25 refusal (with door slam).

They have collectively refused to retrieve my bank card information; so, I cannot pay an overdue bill! (I can only imagine how many have lost jobs, contracts and/or apartments/homes while illegally detained here.

I have tried to find out:

- which of the permitted eleven parties submitted the ^{required} Application for my NYS MHL § 9.27 Admission and when;
- to which substance I am accused of addiction given the facts that:
 - my post-transportation-costs income for the past four months has not exceeded \$200/month and
 - under 24/7 surveillance/observation for nearly two weeks, I have experienced ~~zero~~ withdrawal symptoms; and,
- what kinds, specifically, of hallucinations am I allegedly having while withdrawing from this über-cheap wonder drug?

As of 9⁴⁵ today, no one has answered those questions either.

Enclosed is Court Submission #2 dated 20250401-02 ("CS2") which includes:

- a) Table of Contents for ten additional sections (pages 17.001-26.002)
- b). Again, NAP Fox's Plan; but, fully enumerated 17.001-17.007
- c) EO dmo of ECMCC's 20250325 Plan continued
(Part II includes statements 10-27, endnotes 18-25) 18.001-18.004
- d) ECMCC's über-deficient "Healthcare Proxy" form 19.001-19.002
- e) 20250401 06:56-submitted follow-up letter to Director of Behavioural Health with enclosures: 20.001-20.007
 - i/ 20250331 Request for Hearing
 - ii/ 20250331 letter to Power of Attorney

As always, I hope all is well in your world.
