

"Just a Pharma Whore"

Artwork by Andee Sea Cae Jak

Verse 1

My name is Michael.
Guppenberger's my last name.¹
I am a psychiatrist, baby.
Actually, I'm criminally insane.

Andee Jak, she's onto me:
~~How~~^{soon} I ~~have~~ no credibility.

Ya, her first name's Deandre Moore.
She wants to show me to ~~the~~ door
'Cause I'm just a Pharma Whore.

Verse 2

I live in New York,
Erie County, Buffalo.
I push drugs on healthy minds;
and, there's no bar that's too low.

It's all healthy people that I extort:
if they won't take drugs,
then I take them to court.

Risperdal² by J & J:
injection or oral, I'll get my way.
Pharma Whores have final say.

Verse 3

Of course there's Haldol;
and, I like to push that too.
It's another J & J product³
(where poisoning folks is nothing new).

No one will question my authority;
Not Jillian Brown⁴ here at ECMC.

I get to judge patients with a PANSS⁵ score.
(I do not believe John 6:44.
I love being a Pharma Whore.
