As already stated and evidenced, I never served nor filed any Notice of Claim: your 50-H has zero grounds.

If you'd like to hear my testimony of the crimes and torts being committed by ECMCC, provide the means for virtual attendance as I am not in a position to attend your unlawful hearing in person.

Note that evidence and testimony has already been published for ECMCC's convenience at <https://twb.rocks/blank-00/living/safety/ecmcc/thomas-quatroche/hutcheson-affronti-deisinger/20250801-50-H-hearing>.

The matter is scheduled for an in-person 50 h at the office of Jack W Hunt in Buffalo for tomorrow at 10 a.m. where your testimony will be taken and recorded. There will be no virtual proceeding. If you are requesting an adjournment you may do so in writing. If not, your failure to appear may result in a dismissal of your claim. Please advise.

Subject: 20250801 50-H Hearing || Re: Moore v. Erie County Medical Center Corporation

Good afternoon,

Your crew has failed to respond for **over six weeks**. As clearly stated verbally and in writing multiple times, I never filed any Notice of Claim regarding the incompetence, negligence and criminality at Buffalo, New York's Erie County Medical Center Corporation ("ECMCC"): I merely delivered to its CEO Thomas Quatroche an evidence-laden letter with 28 exhibits hoping he would be interested in cleaning up the disaster that is his "Behavioral Health" team (as published at <https://twb.rocks/blank-00/living/safety/ecmcc/thomas-quatroche/hutcheson-affronti-deisinger/20250801-50-h-hearing>).

According to Jack W. Hunt & Associates at 424 Main St Ste 1120, Buffalo, NY 14202, you have scheduled a 50-H Hearing to begin on Friday August 1, 2025 at 10:00 despite your non-compliance with legislation (see <https://www.nysenate.gov/legislation/laws/GMU/50-H>).

For multiple reasons including, but not limited to, a lack of sufficient resources due to ongoing political persecution by multiple courts in the Canada's capital (see <https://twb.rocks/political-persecution/family-court>), I am not in a position to return to New York State to attend your unlawfully-scheduled 50-H Hearing in person.

If you insist upon obtaining even more evidence than that which I have already published and widely distributed, kindly arrange for my **virtual attendance at your expense** and forward to me the required login information by August 1, 2025 at 8:00 a.m. Otherwise, consider yourself notified that I have zero intention of attending your illegally-orchestrated, Buffalo, New York appearance.

Verily,

As published at <https://twb.rocks/blank-00/living/safety/ecmcc/thomas-quatroche/hutcheson-affronti-deisinger>, I responded to your attempt to initiate "lawfare" on 20250610. I also informed your client of their error by mail on 20250611 (see attached). Accordingly, as I never served any Notice on ECMCC, please stop harassing me. Also, as I am no longer staying in Sanborn, New York, your sending correspondence to me by mail is pointless.
