Look at the world today:
it's such a huge mess
while the governments all say

I guess that was my cue⁵

(just like His Book of Revelation says⁸).

Verse 3

Try to understand: the propaganda's just
to hide their bigger plan
so that you'll miss it
when deceptions cause a row
and their orders state who/how
you won't even suspect
that we're in little season now.⁹
