

Think Arlotta¹

[optional introduction-choir]

In heaven now,
where Christ is King,
when He looks down,
what does He think?

[♪ musical introduction]

When the truth's in your face
and you sense your disgrace,
think Arlotta.
When you know what you've done,
with your badge and your gun,
think Arlotta.

Guys and gals in blue
know what's *ferantur*¹;
yet, they choose to do
any crime on cue.
(Don't ya fellas?)

You never fear the day
when the things you say
linger as you pray ...
"Mama mia! Hey!
... don't tella".

If you've no place to land
when the [crap] hits the fan³
think Arlotta.

There's no bar that's too low:
[thinks he's Al Pacino]
and with p-r-i-d-e.⁴

Thinks he's safe in the end with "Hail Marys"
'cause that's preached to "goyim".⁵
That's not what His word said:
Daniel 12, if it's read,
... should annoy him.

¹ Vincenzo Arlotta is the Ottawa Police Services Board officer who refused to take my report on Winnipeg, Manitoba's human-trafficking operation (which poses as a mental health facility at 117 Bannatyne Avenue as it preys upon First Nations individuals, the homeless, the elderly and, evidently, whistleblowers.) Raw evidence against this operation is stored at <https://twb.rocks/domestic-terrorism/perpetrators/entities/health-sciences-centre-winnipeg>. Instead, he:

- ∞ threatened to have me arrested for mischief if I did not leave the 474 Elgin Street station and then
- ∞ threatened to have me arrested for "disturbing the peace" and violating my [illegally-obtained, unlawful, extorted 20220524 Probation Order and then
- ∞ threw all of my possessions and evidence outside; and, then (after I retrieved it all and re-entered the station)
- ∞ apprehended me under Ontario's Mental Health Act and lied to psychiatrist on duty to have me illegally formed. Evidence to be linked to <https://twb.rocks/domestic-terrorism/perpetrators/individuals/vince-arlotta>.
