Calum MacLeod

Superior Court of Justice (ON)

Undated photo of Justice Calum MacLeod: he enjoys committing crime to enable human trafficking, domestic terrorism and/or taxpayer fraud.

The court-enabled career criminals who were involved in this event included:

- Wade Smith (Kiska's lawyer): <https://twb.rocks/domestic-terrorism/perpetrators/individuals/wade-smith>,
- Nancy Tara MacDougall (CAS): <https://twb.rocks/domestic-terrorism/perpetrators/individuals/tara-macdougall>,
- Debra Scholey ("agent" for OCL): (insert link) and
- Brian Fisher ("agent" for CAS): <https://twb.rocks/domestic-terrorism/perpetrators/individuals/brian-fisher>.

These things have **zero** conscious. For work-in-progress information on sociopathy, see <https://twb.rocks/understanding-predators/characteristics>.

The *easiest* allegations to prove are MacLeod's multiple counts of violating s. 126 of Canada's *Criminal Code* ("CCC"), Disobey a Statute. He disobeyed Ontario's *Child, Youth and Family Services Act* ("CYFSA") and *Courts of Justice Act* ("CJA"); plus, Canada's federal *Divorce Act* via his unlawful "final-not-final" granting of sole custody and access of my children to abusive husband and pathological liar, John Kiska².

MacLeod's unlawful 20190408 *CYFSA* order³, his scribbly, same-day SCJ endorsement⁴ and the resulting transcript⁵ each serve as evidence of MacLeod's crimes. And, this evidence would have been lost if not for my capacity (and resourcefulness) in storing *multiple* copies of this entire nightmare since 2013. That's what is required to survive the *multiple* thefts, and lost and/or damaged property events⁶).

The number of ways in which this matter was illegally heard include:

- improper filing of materials⁷,
- zero service of materials,
- unlawful sub-delegation of minimum access to the CAS (similar to previous crooked SCJ judges Parfett⁸ and deSousa⁹) and
- lack of jurisdiction due to obvious "bias", identical to every other judge listed at <https://twb.rocks/domestic-terrorism/perpetrators/individuals>.

"Bias" is an understatement. Ottawa's judicial services are a front for human trafficking¹⁰, domestic terrorism, taxpayer fraud and much, *much* more.

On 202100407, *the day after* I issued my Statement of Claim¹¹ that alleged Calum MacLeod was a crooked judge and published same, I was:

- re-arrested based on five new bogus charges¹²,
- extorted into removing my corporate site, www.pfi.rocks¹³, from public view by Ottawa's Crown-positioned, career-criminal Malcolm Savage¹⁴ and
- released without *any* new conditions other than the unlawful gag order¹⁵.

Note: I have never been charged with violating s. 300 of the CCC, Defamatory libel. Why? Everything I have published is true.

Imagine my, Sean's and Cate's life today if MacLeod hadn't been a crooked judge. Alas, my children have been raised by a sociopath since 2019 (see https://twb.rocks/about-us/sean-kiska_cate-kiska_children-of-deirdre-moore) and denied my love and protection for over six years. Me sending to them a simple birthday card has been *criminalized* and no one has even bothered to send to me a photograph as their father has enjoyed creating a fiction that has convinced everyone that he is some sort of "victim" while:

- a) I remain *forcibly* married ¹⁶ to John Kiska,
- b) he remains in our ~\$2,000,000 matrimonial home at 1244 Lampman Crescent, Ottawa, Ontario K2C 1P8 (which I have the right to sell as I still *own* half of it ¹⁷),
- c) he pays *zero* in *Divorce Act*-legislated spousal support ¹⁸ and
- d) I am forced to survive, year after year, with *zero* access to my own assets, income or my children.

ENDNOTES

¹ Being a party to an offence means that an individual is held criminally responsible for a crime, even if they did not directly commit the illegal act themselves. This legal concept treats those who contributed to the commission of the offence as culpable as the person(s) who physically carried out the illegal act (see s. 21(1)(2) at https://criminalnotebook.ca/index.php/Parties_to_an_Offence). This is *in addition to* other crime that the individual may have committed *directly* including, but not limited to, s. 465(1)(b) Conspiracy to prosecute (see [https://criminalnotebook.ca/index.php/Conspiracy_\(Offence\)](https://criminalnotebook.ca/index.php/Conspiracy_(Offence))) and s. 300/301 Defamatory Libel. ¹

² Evidence of Kiska's domestic violence and lawfare had already been well documented in divorce file #FC-15-2446 (see crooked judge files <https://twb.rocks/domestic-terrorism/perpetrators/individuals/darlene-summers>, <https://twb.rocks/domestic-terrorism/perpetrators/individuals/julie-audet> and <https://twb.rocks/domestic-terrorism/perpetrators/individuals/tracy-engelking>). It is for this reason that the syndicate flipped the entire matter into new file #FC-19-CP08: a ploy to ignore evidence and protect the perpetrator as evidenced at <https://twb.rocks/domestic-terrorism/perpetrators/entities/cas>. This "ignore-the-evidence" strategy is not unlike the manner in which Ottawa's Civil court (see <https://twb.rocks/political-persecution/civil-court>) and Criminal court (see <https://twb.rocks/political-persecution/criminal-court>) operate. ¹
