(January 7, 2026 by Deirdre Moore / Andee Sea Cae Jak) This is a re-publication of the issue first exposed 20250330 by YouTube's @cswarketatora and added to my Archives at <https://twb.rocks/archives/y2026/m202601>.

In a nutshell, the “Little Season” (“#LS”) community is being infiltrated from a number of angles. Alleged records of Saints (ie. hagiographies) that would support our belief that we are already at Revelation 20:7-10 were FALSIFIED, CIRCULATED & PROMOTED by social media influencers who were aware that the sources were questionable, at best.

I've only **now** learned of “The Hagiographies Hoax” (which occurred during March 2025) and it's obvious to me that some [snakes] have slithered into the LS community in order to discredit those of us aware of where we're at in the Biblical timeline (ie. Revelation 20:7-10).

What is The Hagiographies Hoax? See CSWARKETATORA's undeniable research and top-shelf exposure:

## Who started this hoax?

Some Twitter/X account that goes by @BuelerDam who has now blocked me (see insert at right).

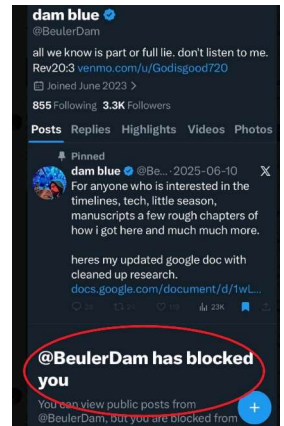

Who covered up the fact that he made up the whole thing?

**NOTE:** This well-researched individual also publishes **massive** amounts of independent and VETTED third-party research on Twitter/X at <https://x.com/cswarketatora>.

• Some other Twitter/X going by @JTfollowsJC and

• up-and-coming YouTuber (with 100,000+ followers), Paul Stobbs, whose YouTube channel is labelled UnderstandingConspiracy (@uconspiracy), no less.

When I learned of this hoax, I immediately re-published CSWARKETATORA's spectacular de-bunk at <https://twb.rocks/living/spirit/satans-little-season/hagiographies> hoping to use it to warn others.

## What happened next?

I was blocked and ridiculed by *another* @BuelerDam ally, a Twitter/X account that goes by @My\_TeslaModelS who intends to publish a book on ... Tartaria without *any* reference to LS whatsoever!

My fruitless attempts to post comments on two other channels was archived on 20260107 at <https://twb.rocks/archives/y2026/m202601>.

## Suffice it to say, the game is afoot.

We've all been indoctrinated to some extent (see work-in-progress exposé at <https://twb.rocks/upig/indoctrination>).

May your future decisions be blessed. DM / AJ ♥
