Dear President Wilson,

I was moved by the recent commencement ceremony at Wayne State University where you presented to Mr. Jack White III the Doctor of Humane letters degree: I would like to write an article about the ceremony and post it on my LinkedIn Profile with the hope that it inspires others to follow your lead. In my view, more scholastic institutions should recognize the contributions that are made by individuals such as Dr. Jack White III.

Would you please let me know the date on which you informed Dr. White of this honor? I would like to be in a position to present this inspiring story back home in Canada.

Very sincerely,

Deirdre Moore, CFA, BBA
