

NEW YORK
SUPREME COURT OF JUSTICE

between

Deirdre Moore (plaintiff)

and

Erie County Medical Center Corporation (defendant)

STATEMENT OF CLAIM FOR \$500,000 (plus costs)

1. On **20250313**, I arrived in New York State hoping to raise awareness on the degree of corruption in Canada via my Investigative Journalism Contest which required, among other things, contributions to the prize table (see **Exhibit A** and later versions which have been used for the past year linked to <https://twb.rocks/upig/contest>).
2. (insert statement re: experiencing Buffalo, New York's homeless shelters while awaiting my tax refund from the Canada Revenue Agency (see **Exhibit B** and testimony/evidence linked to [insert link](#)) and inability to purchase a non-addictive CNS-depressant such as high-quality tequila or gin.
3. On **20250320**, instead of simply providing a U.S. copy of my Canadian PRN (that is, "pro re nata"/take as needed) prescription for CNS-depressant Ativan (see **Exhibit C** or copy stored at https://twb.rocks/wp-content/uploads/2026/04/2024-PRN-prescriptions-from-Thunder-Bay-Ontario-Canada_Ativan-not-Haldol.jpg), I was forced into paper pyjamas, placed under a security watch with all of my belongings removed.
4. - 94. (insert evidence-laden testimony)

.95. On **20250430**:

- *after* missing an important criminal court appearance in Canada (see **Exhibit D** which is also stored at <https://twb.rocks/domestic-terrorism/perpetrators/entities/ontario-court-of-justice/canada-wide-warrant>) and
- *after* being forced to ingest multiple dosages of toxic anti-psychotics for mental illness despite zero DSM-dictated diagnostic process (see **Exhibit E** which is also partially viewable in Chapter 11, Series 2: "Diagnostic process? There isn't one at HSC" page 11.115 stored at <https://twb.rocks/upig/psych/population-control>), I was finally released with a jarful of lithium (which I tossed into the trash where it (and all psychiatric medications belong (insert fn that links to evidence against the psychiatric industry stored at <https://twb.rocks/resources>)).

.96. Despite being forced to deal with the Canadian legal-judicial quagmire in which I remained fully ensnared (see partial details included in my current USCIS application at **Exhibit F** and stored at <https://twb.rocks/persecution/us-submissions>), for the next three weeks I also worked tirelessly to compile a package of evidence; enabling ECMC's CEO Thomas Quatroche to end the *clearly criminal operations* that had infiltrated his institution.

.97. On **20250523**, I hand delivered my evidence-laden package (see copy stored at <https://twb.rocks/living/exposure/ecmcc/thomas-quatroche>) for Mr. Quatroche to ECMC. Along with 28 exhibits, my 20250521 letter closed with six reasonable requests:

- 1 - a refund of my \$75USD redemption/late fee,
- 2 - payment of my existing ECMC bill (\$104,389 less “self-pay discount” = \$19,299) by his organization,
- 3 - compensation for my six-week investigation of his Zone 5-2 and the resulting, undeniable evidence produced for his use,
- 4 - termination (at a minimum), with cause, of several ECMC-positioned individuals; namely,
 - nurse practitioner Brenna Fox,
 - psychiatrist Dr. Michael T. Guppenberger and
 - psychiatrist Dr. Yogesh D. Bakhai,
- 5 - retention of consulting services (via my company SAQOTU Inc.) in order to assess:
 - the competency of his Zone 5-2 nursing staff,
 - the competency of his C.P.E.P. psychiatric staff,
 - the competency of individuals being considered to replace Bakhai, Guppenberger and Fox; and,
 - the effectiveness of the Occupational Therapy, Recreational Therapy and/or any other programs offered to ECMC’s so-called “Behavioral Health” patients; and,
- 6 - provision of information to his Mayor, Governor and President of the likely participation of both Supreme Court judges Feroletto and Walter (and Magavern Magavern Grimm LLP) in Medicaid Fraud.

98. On **20250610**, instead of a reasonable response, Niagara Falls-based law firm Hutcheson, Affronti & Deisinger, P.C. ("Hutcheson") attempted to force me into a civil procedure when I hadn't served nor filed any originating documents (see partial testimony and evidence at 20260609-17 of twb.ROCKS! Archives published at <https://twb.rocks/archives/y2025/m202506>).

99. (Aside: on **20250609**, I received an anonymous e-mail (see [insert link](#)) that reminded me of the Technology-assisted Stalking and Harassment ("TASH") techniques that my husband's gang-stalking network (see [Exhibit G](#) and evidence linked to <https://twb.rocks/awareness-campaign/20251028-human-trafficking-alert>) used to deploy (see work-in-progress evidence at <https://twb.rocks/gang-stalking/tash>). Interestingly, on **20260320** (after I had completed the cover letter for my Dear Doug Downey mail campaign in which Thomas Quatroche was referenced on page 2 (see <https://twb.rocks/awareness/20260312-dear-doug-downey>)), I received another one (see [insert link](#))).

100. By **2025mmdd**, Hutcheson had fully incriminated itself too.
