(April 14, 2026) Travelling through the USA (vs A'sia) since May 2025, I have reached some very dark conclusions regarding how Satan's followers may proceed. That they will rely upon some panic-driven evacuation plan that forces use of public transportation (eg. X-ortation) will be obvious to anyone with curiosity and an opportunity to explore train stations including, but not limited to, those in:

- El Paso, Texas<sup>1</sup>
- Kansas City, Missouri<sup>2</sup>
- Chicago, Illinois<sup>3</sup> and
- Los Angeles, California<sup>4</sup>.

However, once one experiences Memphis, Tennessee<sup>5</sup>, that a forced evacuation plan ("FEP") could include *another* level of evil is a possibility ... that cannot be ignored.

And, that a drug as powerful as phencyclidine (that is, "PCP", "angel dust") may be used to boost the panic exponentially—and ensnare Satan's lower-level pawns too<sup>6</sup>—is not beyond the realms of possibility. I ponder: was Antoine Fuqua's/David Ayers' 2001 film "Training Day" a "how-to" message like Stephen King's 1978 novel "The Stand"?

For these reasons, I have declared April 6th, 2026 to be our first

## Hug a Satanist Day!

Unlike the Bible's Book of Psalms 83:17 (when we prayed that those who conspired against God should perish), given where we are in the Biblical timeline, I think we need to pray that they be saved by His Grace through (gifts of) Faith sin<sup>7</sup> for works of Him<sup>8</sup>. I. so they can be in a position to realize that rewards received for serving Satan will be *dwarfed* by his "end-times" plans for them ... *prior* to judgment day. They too will merely be used as entertainment for demons warrior<sup>9</sup>. until Legion flees just before the fire<sup>10</sup>.

"Agave and Slaves") at <https://twb.rocks/living/spirit/satans-little-season/beast-system/malevolent-government/ball-park>. <sup>1</sup> <sup>10</sup> The Bible's Book of Revelation 20:11 was plucked from 20:9 so most would not realize that even Legion (see Saint Mark's 5:9; who may now be named James (insert link to Memphis, TN photos)) abandons Satan in the end. <sup>1</sup>
