The image is a screenshot of the MSN homepage. At the top, there is a navigation bar with the MSN logo and links for Discover, News, Sports, Play, Money, Weather, Watch, and Shopping. To the right of the navigation bar are buttons for 'Feed layout' and 'Personalize'. The main content area is divided into several sections. On the left, there is a large news article with a video player showing a scene at Penn Station, with the headline '5 stabbed at New York City's Penn Station, suspect in custody: Sources'. To the right of this is another article with a photo of a crowd, titled 'What to know about World Cup ticket scams'. Further right is a sports section for the NBA, listing games for June 8th at 7:30 PM and a game to be announced (TBA) on June 11th. Below these are several smaller image thumbnails, including one with the text 'Suggested for you' and another with a man's face. At the bottom of the page is a Windows taskbar with a search bar, several application icons, and a system tray showing the time as 10:14 AM on 6/8/2026.
