

"Still Alive"

20260405 photograph of The Central Station Memphis lounge which resembles scenes from 2000 EOQ1 movie "High Fidelity"²⁰

Verse 1

Early in the morning and I'm on a mission¹
Raising awareness: why the human condition
is full of pain and suffering and strife.²
Conspiracies? No, it's clearly collusion.
The media's job is to add the confusion³
so that nothin' makes sense as we try to live this "life"⁴.

🎵 Chorus A

But I'm still alive!
Yo Hochul, thank you for the warning⁵
I suggest that 05:00
ain't early enough for you in the morning
to be "canting"⁶ plans
that interfere with all my travel.
Your choice⁷: **wash** your hands
as Satan's minions' plans unravel.⁸

🎵 Chorus B

Yes, I'm still alive!
Despite the efforts of the system⁹
Jersey's J&J jive¹⁰:
sociopaths in charge (you cannot miss them¹¹)
They think we don't have eyes.
Don't get me started on Arizona¹²
Want to see the lies? Just hop a Greyhound¹³ to Sedona¹⁴.

Verse 2

In a red state and there's too much Elon¹⁵ though
I can't quite prove that Memphis¹⁴ serves Legion¹⁶
with its references to "High Fidelity"¹⁷
Music city? Musk's digging a tunnel.
With all that money¹⁸, he sure could funnel
as much as he wants to **Governor Bill Lee**¹⁹.

🎵 repeat Chorus A

But I'm still alive!
Yo Hochul, thank you for the warning⁵
I suggest that 05:00
ain't early enough for you in the morning
to be "canting"⁶ plans
that interfere with all my travel.
Your choice⁷: **wash** your hands
as Satan's minions' plans unravel.⁸

🎵 Chorus C

But I'm still alive!
In a "red state" seeking shelter²⁰!
Trying to revive ...
some interest in saving up for a smelter²¹
(as they swap out cash
and hoard resources, even water²²)
praying folks share gospel²³
with a stranger (son or daughter)²⁴.

Optional Verse 3 (for a capello)

TO DO: Insert lines 1-5
so, I'm a little worried 'bout Nashville, Tennessee.²⁵

¹Also known as purpose, my intent is to raise awareness regarding when we are in the Biblical timeline. See:

- collection of materials at <https://twb.rocks/living/spirit/satans-little-season/beast-system>,
- testimony and evidence being stored at <https://twb.rocks/living/spirit/satans-little-season/cities> and

²not unlike Job's experience as described in the Old Testament (see not-perfect-but-useful, animated introduction to this book linked to #twbROCKS #KaraokeCover tune "Not A Movie" at <https://twb.rocks/mummygate/rolling-credits#Not%20A%20Movie>) ³See introduction to multiple types of Gatekeepers at <https://twb.rocks/gatekeepers> (and collection of additional testimony/evidence being stored at <https://twb.rocks/upig/media>). ⁴My current working theory is that we have all been [assessed], [tagged] and "swim-laned" from a very young age (see work-in-progress opinion at <https://twb.rocks/domestic-terrorism/swimlanes> with the human-trafficking component partially described at <https://twb.rocks/awareness-campaign/20251028-human-trafficking-alert>). Comprehending this level of deception should assist us with the forgiveness required to support our eternal salvation; the exact reason why keeping this Beast System [under wraps] is paramount to [501c3 churches and other Satan-serving minions]. ⁵New York's Governor Kathy Hochul (TO DO>insert link to testimony and evidence currently stored in Archives under May 23 at <https://twb.rocks/archives/y2026/m202605> regarding her cover-up of Buffalo's Medicaid/Medicare/Insurance company Fraud being perpetrated at Erie County Medical Center Corporation by now-promoted CEO Thomas Quatroche as evidenced at https://twb.rocks/domestic-terrorism/perpetrators/entities/erie-county-medical-center/ecmc_statement-of-claim (and linked to 20260425 mail campaign stored at <https://twb.rocks/living/appreciation/artists/jack-white/loving-jack-white/20260425-jack-white>). ⁶See introduction to some of the methods used by criminal networks to communicate "openly-but-secretly" in public (also known as the language of "cant") stored at <https://twb.rocks/gang-stalking/deciphering-cant>. ⁷It's a different choice than the hand-written one that Kiska et al. planted in my 2017 Vanson bungalow as stored at https://twb.rocks/wp-content/uploads/2026/06/20171005-0530-Message-from-John-Kiska-re-Your-Choice-left-in-home-to-recruit-into-Gang-stalking-Network-vs-Remaining-a-Targeted-Individual_Deirdre-Moore-Sean-Kiska-Cate-Kiska-REDACTED.jpg (ie. to join their sick & twisted gang-stalking network, partially described at <https://twb.rocks/gang-stalking>). ⁸See commands in Ezekiel 33, warnings in Matthew 25 and convenient summary in Ephesians 2:7-10; and, know that (arguably) even Legion abandons Satan before the fire (as prophesied in Revelation 20:11, which was plucked from Revelation 20:9 so most wouldn't know). ⁹Technically, systems; as there are a few levels involved in which we are deceived and cradle-to-grave exploited. Once an individual is identified as someone who may pose a threat to said deception/exploitation, they can be:

- gang-stalked into poverty, homelessness, childlessness and/or, their ultimate goal, suicide (see introduction to gang-stalking techniques at <https://twb.rocks/gang-stalking> and views that "su-i-cide" is really "death by demon" (TO DO>insert article that places Matthew and Luke's 8:32 (& more) in context),
- beyond marginalization—via denial of employment/revenue/income, false allegations, etc.—one can easily be ostracized, hospitalized, institutionalized and/or demonized (see draft testimony/evidence regarding some of the strategies, methods and enablers that perpetuate deceptions/exploitation designed to effectively remove a Targeted Individual ("TI") from society at <https://twb.rocks/domestic-terrorism/swimlanes>) and
- if one survives all of *that*, and the entire Beast System (see <https://twb.rocks/living/spirit/satans-little-season/beast-system>) becomes obvious to them, then other forms of "erasure" are available. A recent Twitter/X post described this aspect of their system on 2026 (see <https://twb.rocks/gang-stalking/signature-reduction>).
