(20260804-20260805) In preparation for my meeting with RITI Executive Director **Rachel Hester** and employee **Maggie Sananikone** tomorrow morning, I thought it would be best to prepare a meeting agenda so we don't have a repeat of the 20260727 rapid-fire, evidence-free, tangential allegations. Although I have yet to receive anything in writing, as I recall, their core allegations last Wednesday were:

- I was aggressive,
- I had no permission to [share accolades] about RITI,
- I distributed offensive material to an underage teenager and
- I needed to be partially banned from the premises so [Ms. Hester] could spend some time to “do a reset”.

The meeting is scheduled for 9:00 A.M. at [no meeting room specified]; so, I'll have no opportunity to provide them with this meeting agenda in writing. As stated in my 20260804 response (see insert at right), however, they have been provided with a link to this page so they can print it for themselves.

## A. FACTS

**Fact #1** I had been requesting feedback from RITI for multiple suggestions since the **first day** of my orientation and attendance. See:

- a) **20260619 unanswered e-mail** regarding my offer to assist in sharing their daily schedule at <https://twb.rocks/wp-content/uploads/2026/07/20260619-1730-email-to-Room-In-The-Inn-RITI-and-ED-Rachel-Hester-regarding-posting-of-HOPE-University-Class-Schedule-unanswered.pdf>,

b) **20260724 undelivered e-mail** to RITI's Community Development Team (as recommended and provided) regarding how RITI Express Store gift cards are donated/purchased at <https://twb.rocks/wp-content/uploads/2026/07/20260724-0915-first-email-to-RITI-Community-Development-regarding-RITI-Points-Program-and-Gift-Card-providers-unanswered.pdf> and  
c) **20260724 unanswered e-mail** to *entire* RITI staff <https://twb.rocks/wp-content/uploads/2026/07/20260724-1025-second-email-to-RITI-Community-Development-regarding-RITI-Points-Program-and-Gift-Card-providers-unanswered.pdf> **including** Executive Director Hester.

as well as part of my 20260729 “Diary of a Canadian Whistleblower” entries at <https://twb.rocks/archives/y2026/m202607>.

**Fact #2** I began accumulating RITI points in order to access its advertised “Long Term Storage” service (see **Image 001**) because, as of 2026070x and my husband’s continuous, court-enabled, de-frauding of me (see **Image 002**), I could no longer afford my storage unit (see **Image 003**). Although I did attend multiple types of “HOPE University” classes, I was primarily interested in the Bible Study and Art class (as evidenced my attendance records stored at <https://twb.rocks/riti/activity-dm>) because of my current projects that could help people ramp their Scriptural literacy:

- “Meaningful Quest” (see **Image 004**) and
- “The Chronology Canvas” (see **Image 005**)

as well as my new “Teach Yourself Braille” project (see materials purchase for necklace prototype at **Image 006** below and Image 015 of my 20260525 letter to Dr. Jack White stored at <https://twb.rocks/living/appreciation/artists/jack-white/loving-jack-white/20260525-jack-white>).

**Fact #3** On 202607–, [“Roy”#fn] explained that he had chosen to leave the NRM men’s mission and “camp outside” because of the severe bedbug and body lice infestation. (insert rest of testimony heard from other male RITI patrons).

**Fact #4** On 20260727, after spending 500 accumulated RITI points to purchase another month of RITI Long Term Storage (2 units) (see **Images 007 and 008**), I attended the business desk on the second floor to ask Dave who owned the vacant property across the street (as I thought maybe they could donate it to the men’s NRM in order to empty the building for a week for fumigation/renovation purposes). Dave was not there. Instead, some woman named Maggie reacted to my question as if I had asked her for some personal, deep dark secret and

# Agenda for August 5, 2026

proclaimed “WE HAVE NOTHING TO DO WITH THAT PROPERTY!”, “WE HAVE NOTHING TO DO WITH THE MEN’S MISSION!” “THERE IS NO LIAISON BETWEEN US AND THE MEN’S MISSION!” I thanked her for her response and stated that I would simply speak with the men’s NRM myself.

**Fact #5** On 20260729, after spending 350 accumulated RITI points to purchase:

- a Clancy ticket for myself,
- a Clancy’s ticket for a random stranger in line and
- two packets of Oreo cookies that I donated to the Munroe Street Public Library

I attended Bible Study with Gary (see **Image 009**). Then, I used my Clancy ticket to enjoy their morning treats and work on my RITI promo piece. When I saw that Piano-teaching Rachel was serving, I showed to her my draft and asked her for her opinion. She immediately offered to share in with the RITI Community Development team so I provided to her a copy of it (see **Image 010**).

**Fact #6** Within 15 minutes of sharing my draft RITI Invitation to Participate, I was approached by Executive Director Rachel Hester to meet with her immediately as “the matter was urgent”. Within 30 minutes, I was banned from RITI’s second floor “until further notice”. Piano-teacher Rachel attended the meeting but did not participate. Both Executive Director Rachel and ?assistant? Maggie delivered their accusations, judgment and sentence despite presenting **any** evidence. They both admitted that they had not reviewed my online RITI materials. Rachel stated that she would not delay her judgment/sentence to review any of my online RITI material.

## B. ALLEGATIONS

### **Allegation #1: My demeanor is aggressive**

No one accused me of being aggressive until your impromptu forced meeting in Clancy’s on 20260729, about 15 minutes after I gave my draft flyer (see **Image 010**) to Piano-teacher Rachel so she could share the idea with the Community Development team. During that meeting, Maggie accused me of being aggressive when I asked about the vacant lot across the street. I was in no way aggressive; however, her defensive reaction and her later use of D.A.R.V.O., that is, **D**eny **A**ttack **R**everse **V**ictim **O**rders) is revealing. For more on sociopathy, see <https://twb.rocks/understanding-predators/characteristics>.

# Agenda for August 5, 2026

## **Allegation #2: Sharing Information about RITI is forbidden**

According to Ms. Hester's verbal statements made to me on 20260729, I am not permitted to share information about my experiences at RITI because there is no Memo of Understanding ("MOU"). I believe this to be *another* of her false statements of fact.

## **Allegation #3: Offensive Material**

As a fully-marginalized whistleblower and independent journalist, I have produced a **lot** of written material that evidences:

- the severity of criminality that has infiltrated multiple levels of law enforcement, social services, government (& more) as evidenced in my USCIS Asylum Applications (see **Image 011** with copies published at <https://twb.rocks/persecution/us-submissions>) and
- *when* we are in the Biblical timeline as *partially* published at <https://twb.rocks/living/spirit/satans-little-season>.

If an individual initiated a conversation with me on a topic which I have already researched, it is possible that I provided a copy of that material. I have no recollection, however, of *which* evidence-laden document I may have shared with whom. I don't carry much paper. I have on hand a few pieces; perhaps, it was one of:

- my letter re: **The "Faith vs Works" Deflection: did God really say?** (see **Image 012 and 013**),
- my draft **Bible Bingo cards** "Faith vs Works" (see **Image 014**) or "Judgment vs Mercy" (see **Image 015**),
- one of my *many* evidence-linked #twbROCKS #KaraokeCover tunes such as:
  - Elon Musk-exposing "Apple's Got Safari" (see updated lyrics at **Image 016**) or html version at <https://twb.rocks/mummygate/rolling-credits/apples-got-safari>,
  - Psychiatric Industry-exposing "50 Ways to \*\*\* You Over" (see **Image 017**) or html version at <https://twb.rocks/mummygate/rolling-credits/50-ways-to-screw-you-over>,
- my draft Johnson & Johnson's exposing article "Psychiatric Drug Cocktails" (see **Image 018**) or html version at <https://twb.rocks/living/exposure/psychiatric-drug-cocktails>,
- my sample "**Functional Strength & KSI Balance**" assessment that somehow has remained a secret amongst [insert multiple groups] alike (see **Image 019**) or html version at ([insert link](#)),

# Agenda for August 5, 2026

- my still-incomplete-due-to-perpetual-harassment-and-displacement “**2026 Awareness Tour!**” outline (see Image 020) or <https://twb.rocks/on-tour> and/or
- my evidence-laden introduction the “**Our Current Beast System**” (see Image 021) or *outdated*, evidence-laden outline at <https://twb.rocks/living/spirit/satans-little-season/beast-system>.

IF someone found one of *these* to be “offensive”,

THEN, I would like to comprehend the reasons why so I can correct any misleading statements and/or insert additional evidence.

ELSE, the allegation is merely false, malicious and/or ... self-serving (see possible malevolent motivations included as endnotes to new #twbROCKS #KaraokeCover tune “**Sharing the Truth with Your Crew**” at Image 022 and being published at <https://twb.rocks/mummygate/rolling-credits/sharing-the-truth-with-your-crew>.

**Allegation #4** My presence in RITI’s 2nd floor classes is [?disruptive?]; as of 20260805 08:53 e.s.t., Ms. Hester’s exact allegation has yet to be articulated.

## C. NEXT STEPS

### I – Customized RITI Policy, etc.

1. What are the new, customized rules that I am now forced to follow at RITI?
2. What are your reasons for treating me differently from other RITI patrons?
3. Kindly provide to me the evidence, if any, of reasons stated for 2. above.
4. When will the new, customized rules will be lifted?
5. Kindly provide to me a copy of the process that RITI allegedly follows (see Image 023) to ensure it does not commit any Civil Rights violations.

### II – Storage Access and other RITI Goods and Services Logistics

1. How shall I now request access to my stored belongings?
2. How shall I now “purchase” storage?
3. When am I able to “purchase” other items/services from the RITI stores?
4. How shall I now request that a document be printed for me? For example, I need to print, complete and file my USCIS Form I-765 today so I am in a position to seek employment next month.

# Agenda for August 5, 2026

5. From where shall I now obtain envelopes for mail?
6. Am I permitted to book the music room for private practice?
7. How shall I retrieve the materials for my “Teach Yourself Braille” project that are currently stored in the 2nd floor Art Room?
